### Letter to Mr. T. E. Pierson

Highland Park, Ill.

Dear Sir: There are two sorts of furniture. You know both; for you sell 'em both. One sort looks better than it is, and the other is better than it looks. There isn't any other sort.

The same, two sorts of paint, no more; and we make 'em both—we make tons of stuff that isn't worth its freight. Belongs to the business—have to. Belongs to your business—you have to.

But this is aside. We put into cans, with our name on, the very best paint there is in the world: Devoe lead-and-zinc. It takes fewer gallons than mixed paints, and it wears twice as long as lead-and-oil.

Mr C O Brown, Columbia, S C, painted his house with Devoe lead-and-zinc. The painter, on seeing the quantity sent to the house, said there wasn't enough. There were ten gallons left, when the job was done.

Yours truly

F. W. DEVOE & Co.
