### The Little Lad's Patch

A lad of Enid, Okla., in the geography class was deeply interested in learning the points of the compass. Said the teacher:

"You have in front of you the north, on your right the east, and on your left the west. What have you behind you?" After a few moments reflection, Charlie exclaimed:

"A patch on my pants." And to make the information more binding, Charlie continued in a shamefaced manner: "I knew you'd see it; I told mamma you would."

### Woman

When Bishop Potter was asked what he thought of woman suffrage he made the diplomatic reply:

"My dear madam, I have got away beyond that; I am trying to make the best terms with the sex that I can obtain."

This brings to mind the mot of William M. Evarts when asked by a lady if he did not think that woman was the best judge of woman. He replied:

"Not only the best judge, madam, but the best executioner." —Boston Record.
