

SCHOOL SHOES

The greatest test of shoes for school children is
THE TEST OF WEAR

Our shoes stand the test. They have proved their superior quality in years past, and our present stock was selected with the same care and will give the same satisfaction as formerly.

The Grounds of your Country Home or City Residence transformed into places of beauty and idyllic charms. Artificial lagoons with waterfalls and waterlilies, rippling brooks, miniature waterfalls, cascades, rustic bridges, pergolas, fountains, stately old English and Colonial gardens, Italian and formal gardens, French gardens, rock and water gardens, artistic Japanese gardens, parks and public squares. Proper locating of buildings. Selection of home sites. Grading of grounds. Plans for sewage and drainage. Artificial ponds and lakes. Managing and planting of forests. Design and building of bridges in masonry, timber, steel and iron for highways. Building of roads, and reservoirs. Designing of sea walls, retaining walls and piers of property bordering on lakes and rivers. Laying out and surveying of subdivisions. Designs carefully executed and supervised. Designs for large and small estates. Correspondence invited. Satisfaction absolutely assured.
