

Special Services

There will be services every evening, except Saturday evening, at the Presbyterian Church, beginning with next Monday.

Prominent men are to speak at these services. They will take as topics the events of the days of so called Passion Week in the life of Christ. Without in any way suggesting a comparison among the speakers, it may be said that we are particularly favored to have with us Dr. H. Karl Kumm, of Castleton, Derbyshire England, on Friday evening. Dr. Kumm delivered his wonderful lecture on "The Soudan" in Africa a few weeks ago in the Presbyterian Church and the community will be glad to have another opportunity of hearing him. The public is cordially invited to all the services.

The following is the program:

Monday, March 15. Prof. Thomas, Lake Forest.
Tuesday, March 26. The Rev. S. M. Campbell, D. D., Evanston.
Wednesday, March 27. J. N. Freeman, D. D., Chicago.
Thursday, March 28. J. R. Crosser, D. D., Kenwood Evangelical Church, Chicago.
Friday, March 29. Dr. H. Karl Kumm.
Sabbath, March 31. Easter Service and farewell sermon by the pastor. (This service will be at 10:30 a. m.)

The eighteen pots of beautiful and fragrant flowers, taken from his greenhouses at Ravinia and presented by Mr. Dreske to the First United Evangelical Church to decorate the pulpit during the meeting of the conference, which is now in session, were very much appreciated. Mr. Dreske's residence and a large strip of land is just east of the Ravinia Station, and it is here that he has just completed two large greenhouses and is clearing for five or six more. It is his intention to have a large collection of all kinds of flowers, and when the work now begun is completed it will be worth a visit from all lovers of flowers.

The services held at the Railroad Men's Home last Sunday afternoon by the First United Evangelical Church, conducted by the pastor, Rev. E. Fuessle, were very attentively listened to by the inmates.

Invitations have been received here for the marriage of Miss Jennie Pound Serrel Wainwright to Lieutenant Frederick Mears, Eleventh Cavalry, U. S. A., which will take place at Fort Claak, Texas, on Saturday, April sixth.

Mr. and Mrs. D. C. Purdy have returned from their trip south. They have spent much time in Florida and later in Louisiana.

Of Interest to Highwood

The house license committee reports bill to prohibit saloons near Fort Sheridan. A report from Springfield says:

"With only nine members of the house license committee present the bill putting the Highwood saloons out of business was reported out favorably, and now will come before the house for action. It also affords the protection which Secretary Metcalf wants for the naval training school to be located near North Chicago.

"Delegation of saloon men from the Highwood resorts were in Springfield and the men who have been opposing them looked for a fight in committee.

"If it was the intention of the opponents to prevent action by breaking a quorum they were unsuccessful. Chairman Brady proceeded to put the measure to vote, and it came out without opposition."

The Waukegan Gazette says, in part: "Simultaneously with reports from Springfield to the effect that the terrific pressure that has been brought to bear upon the State Legislature, will result in that body taking some favorable action upon the bill that has sent up such a wail of protest from North Shore saloon-keepers (restricting saloons about government reservations), comes the startling report that in the instance of the Bill's passage, the saloon-keepers of Highwood will move their places of business, west from their present location, so that they will be just outside of the deadline that has been drawn by the government."

The Accountants of Illinois met on Wednesday evening at the Chicago Athletic Club to organize a society. Messrs. Beach, Thorn, Hall and Griffith from Detroit, Mich., who are officers of the International Association of Accountants, were present to aid the society in its inception. The Society of Illinois Accountants is organized and the first regular meeting will be held at 70 Adams St. Chicago, Ill., April 8, at 8 p. m.

Highland Park was represented at the meeting for organization by Wm. King, Assistant Postmaster, who is a member also of the International Society.

We clip the following from the Thief River Falls (Minn.) News, referring to a young man raised in this city: "Mr. P. B. Salyards, formerly of Highland Park, Ill., is now in our city for the purpose of leasing a large building suitable for a wholesale flour, feed and grain store. Should he fail to secure one he will start the erection of a building for that purpose immediately. Mr. Salyards is considered one of the best of our business men, and the establishing of his business here is of great importance to our city."

The inmates of the Railroad mens home, most of whom are crippled, are hoping that the talked of concrete sidewalk which is to be put in in front of the Home, will be delayed as little as possible. They find traveling on the present one not a desirable pastime.

The fourteenth Annual Session of the Illinois Conference of the United Evangelical Church has been in progress at the First United Evangelical Church this week. A number of prominent ministers and bishops from other places were present.

NOTICE:—I am prepared to do all kinds of concrete work promptly and at reasonable prices. You should leave orders now for your Spring Concrete work.
