

Fourteenth Annual Conference

The Fourteenth Annual Conference of the United Evangelical Church met in session in the First United Evangelical Church, Highland Park, Ill., on Thursday morning, March 21.

Bishop Hartzler D. D., the senior bishop of the church called the conference to order at 8 a. m. According to a beautiful custom of the church the session was ushered in by the celebration of the communion of the Lord's Supper. After a powerful address by the chairman in which the work of the past year was reviewed, the conference proceeded to organize. After several ballots had been taken the Rev. D. A. Thomas was elected secretary. The following business was transacted. The character and standing of the ministers and lay delegates was inquired into in the executive session. The chairman announced the usual standing of the committees, through which the principal work of the conference is done. Conference adjourned at 11:30 after song and prayer. At 2:30 the chairman called the meeting to order. Devotions being conducted by the Rev. J. H. Keagle of the Cedarville charge, business was then taken up. The presiding elders of the four districts made their reports which were very encouraging and full of interest. Opening for new appointments were reported by the elder. It was gratifying to the conference to hear of the growth of the work and of the number of conversions and accessions on the respective fields of labor. Resolutions were presented from the ministerial association and the executive committee of the Chicago Keystone League of Christian Endeavor recommending that a new mission be taken up at Oak Park and a pastor be sent to take charge of the same. The Rev. S. L. West manager of the publishing interests of the church at Harrisburg, Pa., was present. It a pleasure to the conference to hear of the continued success and added prosperity of this important branch of the church. The conference adjourned at 4 o'clock to give place to a lecture as announced.

Dr. Breau, pastor of the Church of the Covenant, Chicago, and also president of the Chicago branch of the American Bible League, gave a very touching and eloquent lecture on, "The Saintliness of David Brainrod," after which the conference adjourned.

At 7:45 an enthusiastic rally in connection with our Sunday School and Keystone League of Christian Endeavor work was held. The president of the Illinois branch of the Keystone League, Rev. L. C. Schmidt, took charge of the service. Two splendid addresses were delivered by the following brethren: Rev. W. C. Heyl, "The Sunday School in present day church life." Rev. C. E. The newspaper report that George Ade is to run for Senate is a mean thrust. The fact that Ade is a humorist does not necessarily shove him into the Chauncey Depew class.

Pure Maple Syrup

Absolutely pure maple syrup, not maple sugar and water, but syrup that has been boiled down from the clear pure maple sap is difficult to secure and it is also expensive. The Craftsman's Guild has arranged to secure a small quantity direct from a maple grove in Vermont and will offer it to its patrons (as long as it lasts). This syrup will be packaged in full size pint and quart bottles at thirty-five cents the pint and sixty-five cents the quart. Orders are now being booked and will be filled in rotation as received. Deliveries will be made in Chicago and suburbs free of charge but on orders for outside points express will be charged extra.
