EDUCATOR SHOES

Keep the child's foot as nature intended,
 as shown at the left.

Many children's shoes force the pliable
 growing bones and muscles into unnatural
 shapes as shown at the right.

Educators are designed to keep the bones
 and muscles in nature's shape.

The Oak leather soles provide lightness,
 flexibility and wear and upper leathers are
 of the highest class.

To have your child thank you for perfect
 feet in later life buy EDUCATORS.
