

### Highland Park Items.

It will be of interest to learn that just recently two of our most respected citizens have been raised to high positions in their respective companies. Mr. E. J. Nally, who started with the Postal Telegraph Cable Co., as office boy, and has come up through nearly every position, was made vice-president and general manager. He has moved to New York.

Mr. C. F. Carry, who has been for many years with The American Car and Foundry company, has been made its vice-president and general manager.

Great preparations are being made for the play, "Midsummer Night's Dream" which the High School Seniors are going to give at Ravinia Park in June. It promises to be well worth while.

The Junior Dance at the club on Friday of last week was a great success. There were twelve dances before the refreshments which were served very attractively, and after that a cotillion led by Malcolm Vail. Mrs. E. W. Spencer and Mrs. Vail were hostesses.

The Oak Park team which was scheduled to play the Fecit club last Saturday did not turn up. Instead the Fecit played with the Imperials, a team here in town. A dispute arose in the ninth inning, and the Imperials left the field. The umpire forfeited the game to the Fecit club.

The High School will have a dual meet with New Friar High School next Saturday at 10 a. m. It will be on the home grounds. We hope they will do better than last time.

Services at the regular hours at the Baptist church next Sunday. Preaching service at 10:45 a. m. Sunday school at 12:00; B. Y. P. Y. at 7:00 p. m., and preaching service at 7:45 p. m. All are welcome.

First Church of Christ, Scientist of Highland Park, Hazel Avenue, just east of St. John's avenue. Services every Sunday at 10:45 a. m. Wednesday at 8:00 p. m. Reading room open daily except Sunday, from 2 to 4:30 p. m. Lesson sermon for Sunday, May 5: "Adam and Fallen Man."

**EDUCATOR  
SHOES**

Keep the child's foot as nature intended,  
as shown at the left.

Many children's shoes force the pliable  
growing bones and muscles into unnatural  
shapes as shown at the right.

Educators are designed to keep the bones  
and muscles in nature's shape.

The Oak leather soles provide lightness,  
flexibility and wear and upper leathers are  
of the highest class.

To have your child thank you for perfect  
feet in later life buy EDUCATORS.
