Workmen have been steadily engaged on the foundations of the new Episcopal church, in Glencoe, of which mention was made in a former issue of this paper, and the work is so far advanced that it is confidently expected that Bishop Anderson will be enabled to lay the corner stone of the structure at a date not far from the middle of September. We shall publish further particulars of this interesting event at a later date.

DEATH BY ACCIDENT—John Mrasek, Jr., was driving an ice wagon across the tracks at Scott avenue, of the C. & M. Electric Railway, on Monday morning, when he was struck by a car and instantly killed. Burial services were held on Wednesday morning, at the Sacred Heart church, the interment being at the Sacred Heart cemetery. The services were conducted under the auspices of the Modern Woodmen order, of which Mrasek was a member.

The father of the unfortunate young man, who attended from Milwaukee, wishes to thank the people, especially the Woodmen, of Glencoe, Lakeside and Winnetka, for the kindness and generosity shown in the ceremonies, the flower display being especially beautiful and expressive.

Mrasek was an honorable and upright young fellow, and his death is deeply felt by all who knew him.
