You Might Think

that the souvenir post card business is "all it" at Albert Larson's but you have another "think" to come. It is true he has about the smoothest line of post cards ever displayed in Highland Park but it is only supplemental to an equally complete line of fine correspondence stationery and school supplies. In addition his store is a convenient place to buy your magazines, periodicals, newspapers and books—all the "live ones" and any not on hand will be ordered for you.

Now for fine candies, Havana cigars, pipes, smokers' articles and tobaccos Mr. Larson is the conceded headquarters of the city.
