The Humane Society's fountain is being placed in position this week by Mr. Dittmer in front of the city hall. It promises to be in every way desirable. As an ornament it will be a great change

from the old dilapidated iron fence around the crown of the old well. Next week we hope to drink from the fountain and we suggest that the aldermen inaugurate its public value by each drinking from its flow to the city of Highland Park.

Look for a full account in next week's issue of the gift of the splendid drinking fountain to be placed on E. Central avenue. We have secured a picture of this truly ornamental monument and will publish it with descriptive article.

The public school will display some remarkably artistic talent on Friday evening at the unveiling of some pictures which are said to be of great merit. We hope to report the event in full next week.

High School Notes.

Three games and not beaten yet. The football team of our high school is stronger this year than it has been for many years. The boys are playing great ball. The season was opened Saturday, three weeks ago, when they defeated their old rivals from Waukegan 12 to 6. In this game the teams were fairly even, although our boys were a little heavier in the line. The next Saturday the Cadets went down to defeat before Greenslade's splendid kicking, and Ray's and Bock's line bucking. The score was 2 to 0.

Last Saturday came the climax when Morgan Park came out 40 strong, only to be beaten, 23 to 8.

There are four more games to play according to Manager Ray; the next one at Evanston, Saturday, a week from today, when the team will meet Evanston High School, one of the strongest

of the North Shore teams. The boys have great hopes. May they be realized.

A short resume of the team as they lined up in the last game:

Wrenn and Spencer at ends did nice work, especially at blocking forward passes.

Garrey and Kelley at tackles played fine, steady ball, holding their men and tearing holes through the other line.

Bohmer and Wilkinson, our heavy-weight guards, shoved holes through center for Bock, and stopped the other team's plays like stone walls.

Fritsch at center played steadily and well, making some nice passes for Greenslade's kicking.

"Bubbles" Greenslade put up his usual brilliant game, out-kicking, out-passing, and out-generalizing anything on the other side.

Bock, at full back, was good for any gain through center.

Bell, playing left half back, did fine work, especially as he was new to the position, having changed places with Captain Garrey.

Manager Ray, at right half, was the same as ever. Steady, reliable, alert, and good for almost any gain through tackle or around the end.

The substitutes who played—Ed. Wrenn, Will McNanly, Merle Tibbets and Glenn Maris—all put up good steady games when their turns came.

To Mr. A. R. Williams, who has coached and trained them, must go much of the credit for the splendid team which bids fair to make a record that will be hard to equal. Here's hoping for more victories.

On Wednesday last the second team went up and held Lake Forest Academy second, 0 to 0. The teams were very evenly matched.

The Ladies' Bazaar is the store for pretty things, so says everyone. If you want something dainty for a wedding present, or birthday gift, a Christmas gift, something for a prize, I am always well supplied with suitable articles for the occasion. When in need of anything in that line give me a call and be convinced. MRS. G. BOHL.
