FORT SHERIDAN NEWS

Along about the middle of September, 1907, a child fell off the pier here at Ft. Sheridan and would have been drowned had it not been for Private William Nevin of Troop "A" 13th Cavalry, who happened to be on the pier at that time and hearing the cries of the child ran to the spot from whence it had fallen and dived in after it, catching it as it was sinking for the last time. Nothing was ever said of Private Nevin's heroic deed and in fact very few ever heard of it, but within the last few days his company officers have learned of his brave action and a very strong letter has been sent to the President requesting that Private Nevin be awarded a Certificate of Merit for his gallant rescue.

Corporal Gregory of Company "L" 27th Infantry, is thinking of going into the bill posting business, and judging from the way that he advertised the Lemon Club's dance in Highland Park for Wednesday, he will make a great success of it for we know of no better ad than Gregory's back with a large (lemon) sign upon it.

By perseverance we will succeed, is the motto which Private Barry of Company "M" 27th Infantry puts before him when he goes out for orderly at Guard Mount. Private Barry has been trying to land orderly for the last three months, and on Monday last he succeeded, but poor man he has been besieged on all sides with the following questions: Barry, where are my shoes? Where is my shirt? Say Barry did you return my overcoat, etc.

CHRISTIAN PSYCHOLOGY.

Bishop Fallows of the Reformed Episcopal church, has recently gone into a new field of endeavor in seeking to relieve the sick by means of what appears to me mental suggestion. From the newspaper accounts it would seem that it is not his purpose to supplant physicians, but to aid and assist them, especially in cases of nervous and kindred disorder. He is clear in his statements, as reported by the daily papers, that his theory and method are wholly different from those of the Christian Scientists, and calls his system of healing "Christian Psychology." Now comes Mr. Archibald McLellan, editor of the Christian Science Sentinel, in its issue of the 14th instant, and says that the name adopted by Bishop Fallows is a contradiction in terms. His argument is interesting, at least, and we give it below:

NO CHRISTIAN PSYCHOLOGY.

We are taught in our text-book, "Science and Health with Key to the Scriptures," that "if God had instituted

science to which would have made man ill, Jesus would not have disregarded those laws by healing in direct opposition to them and in defiance of all material conditions" (p. 227). The animus of this teaching pervades all of Mrs. Eddy's writings on Christian Science.

Christian psychology is equivalent to Christian phrenology, physiology, and mythology, whereas Jesus predicted and demonstrated Christian healing on the basis of Spirit, God. He never complicated Spirit with matter, never taught the finite opposite of God, Spirit, infinity, All. Theology means one God, and Christianity is not founded on any other basis except one God, one infinite, and that infinite divine Love. God is Spirit, and they that worship Him must worship in truth. As revealed in Christian Science, God is unconscious of matter, for He is Spirit, and All. He cannot know aught that would be the very unlikeness of Himself in quantity, quality and divinity.

Neglect of this, the real meaning of Christianity, resulted in a loss of the power to heal the sick centuries ago, and to-day also there are those who are casting lots for Christ's seamless robe, but by their failure to perceive the oneness of Spirit they also will lose the truth of Christianity, and thus be unable to demonstrate it upon the divine Principle which Jesus taught, namely, one God, one infinite, hence no matter. Christianity without this essential Science of Christian truth—the oneness of Spirit—is left without a perfect Principle and without scientific demonstration thereof. In other words, they who drop Spirit as the one and all of Christianity, thereby lose the demonstration of the power of Spirit, through Christ, to heal the sick and cleanse the leper, to destroy sin, disease and death.—Archibald McLellan.
