Mr. Smith's delightful talk on "Our Wild Flowers in their Native Haunts" revealed the proud fact that there dwells in our town a gifted botanist of the highest order, not one with book knowledge alone, but one capable of original research. Only a student with genuine love for his work and vigorous initiative in pursuing it, could have told as simply, and feelingly, as did Mr. Smith, the story of his friends, the wild flowers. The pictures taken by Mr. Parrott would have done credit to Elmendorf.

The music rendered by twenty young ladies from the Women's College of Lake Forest, and led by Mrs. Thomas, greatly enhanced the program of the evening.

"Cad the Cannibal King" was given in Power's Theatre on Thursday night, March 19th, by the students of the Lake Forest Academy. The audience was large, and the net proceeds which goes to the home for crippled children amounted to \$500. Much of the success of the event was due to the work and patronage of ladies of the North Shore, who promoted it for the sake of the charitable object.

HIGHWOOD NEWS.

We are informed that a "blind pig" is getting in some deadly work here, men have been conducted home helplessly drunk and all symptoms of law-breaking are openly talked of. We are of the opinion that the man who buys at an illegal drunkery should be arrested and punished as well as the seller. Indeed that is the way to get at the men who sell. Arrest the drunken man and he will tell where he got the liquor.

The ladies auxiliary of the M. E. church meet with Mrs. Walker next week Thursday.

FORT SHERIDAN NEWS.

It is understood that the Post Exchange is going to install a roller rink in the new Exchange Building, but the soldiers in general are very much opposed to this move, as they think it should be kept for dancing.

The Exchange also

The Uncle Joe Cannon Presidential boom must be using a smokeless powder.

Senator Bailey regards Roosevelt as a pretty good tonic but a pretty queer mixture.

A man has just married a woman whom he had saved from drowning

twenty-five years ago. Apparently there is no escape.

"The Washington Herald speaks of the umpire as if he were the goose-factory," notes the Nashville American. Well, certainly, goose-eggs and lemons are about the only things he has handed the Washington teams of the past; but perhaps we may take a more cheerful view of things, so far as the coming season is concerned.

According to the ever truthful Houston Post, a woman of that city would be pleased to hear her husband praise the beauty and talent of his lady friends." Poor thing! Evidently she is hopelessly deaf!

Our navy is being criticised, but as long as our war-ships are able to keep the armor line above the water and the guns working, it will be all right, won't it?
