

HIGH SCHOOL NOTES.

Mr. Dudley Smith is having great success as Miss Martindales successor. The chorus is now hard at work on the "Hallelujah Chorus" from the Messiah.

The baseball team has been badly crippled by the fact that 4 men are down in their studies. These men should have school loyalty enough to bend all efforts to removing the ban.

Manager Greenslade announces the following games today, University High School, here next Saturday; Morgan Park High School here May 30; N. M. A. at Lake Geneva. Home games at 3 P. M.

Owing to the pressure of other forms of school activity, track work has been definitely abandoned.

Miss Frances Kemp was absent from school, Tuesday on account of illness.

On Thursday April 30 the high school team won its second victory. The opposing team was N. M. A. and they were never serious contenders. The pitching of Greenslade and the batting of the whole high school team were features. The fielding of the Academy was wretched. The final score was 8 to 2.

The Hyde Park-Deerfield game scheduled in these columns for last Saturday was called off through the passing of a rule by the Board of Control prohibiting the city high schools playing any out of town team.

Mr. Frank Allamong of Lake Forest College attended the debate Friday in company with Mr. Frank Fitt.

The two topics of discussion this week have been the debate and the annual "Junior Prom." This latter event is the biggest event of the social year; being the annual farewell dance given by the Juniors to the Seniors which this year took place Saturday night at the High School Gymnasium. Music was furnished by Williams of Evanston. The hall was appropriately decorated with school and college flags and bunting. There were nearly 100 couples present. The hostesses for the Junior Class were Mr. and Mrs. Sandwick, Mrs. G. McPherson, Mrs. Quayle, and Miss White. Many Alumni were present. The electric lighting for the '09 Extra was an especially pleasing feature. The Committee of Management consisted of Mr. Wm. B. Wrenn, Mr. Harry Bock, Miss Mona Quayle, Mr. Egbert Spencer, Miss Mary Phillips, Miss Harriet Leaming, Miss Fern Green, Electrician, Mr. P. H. Prior.

The year book, with many new pictures, made its appearance Thursday. It is a fine piece of work and reflects great credit on its creator.

Private festivities will be observed Friday, May 15th.

Miss Lucille Brand will be the Representative of her Class on the Commencement Program, her essay having been declared the best of those read in the Senior Rhetoricals a short time ago. The subject of Miss Brand's discourse is "Franz Schubert."

Preliminary work is being done by Manager Harbough of the "Referee" for next year. It is planned to issue a number shortly after the beginning of school.

Mr. Lester Levin will enter Lake Forest College after graduation.

The date for trial of the case of State vs Schaefer by the County Court of the Civics Class was changed to Tuesday May 5th, 1908.

The Glee Club work is at a standstill. The exact date for the Lake Forest Concert being yet undecided.

Mr. Carl Pfanstiehl, a former student at the high school, is manufacturing an automobile spark coil of his own design, at North Chicago. Conservative business men have declared it a valuable invention.

Mr. Melvin Sweetland will enter Northwestern University Medical School at the completion of his course in Pharmacy.

John Wilkinson, sometimes known as "Little Hippo," the giant football guard who left school something over a month ago, will re-enter early next week.
