Some towns and cities along the north shore are beautiful because of their natural location and others are made beautiful by the art of man, still others that would be beautiful if they were not marred by the artfulness of man. The latter has crept into our beautiful village and placed there some very unsightly bill boards, the new city council will confer a lasting favor on the citizens of Highland Park if they will pass an ordinance at once for the abolition of these relics of barbarism. Why should we tolerate these nuisances when Chicago has made a law wiping them from her streets. Let us now be up and doing.

The base ball team played the second game with New Trier yesterday at New Trier. Greenslade was in the box for Deerfield while Alton pitched for New Trier. The game was uneven, occasional flashes of brilliant playing being exhibited. Both teams made five hits and seven errors. Bell's work in catching two long flies to deep center in the first inning and the inside play of Greenslade and Capt. Bock was very clever. The final score D. T. H. S. 6, N. T. H. S. 4. The team closes the season with University High School Saturday in Chicago. The team has won seven and lost one game, by far the best record a Deerfield team has ever had.

The base ball game scheduled for Saturday had to be postponed as the Academy had some unexpected drill.
