

**Highland Park Schools**

The local High school was badly beaten last Saturday at the New Trier field. Their opponents were the Evanston High school. The game was rough and for the most part loosely played. The High school throughout the whole played better football than against the Alumni. Green-slade will be out of the game for the rest of the year with a bruised shoulder.

The score:

Evanston High school	21	Deerfield	0
Weshler (Capt.)	L. E.	Brand	
Locke	L. T.	Maris	
Geiter	L. C. McNanly,	Spencer	
Loyd	C.	Tibbits

The Deerfield High School will play the McKinley High School, of Chicago, to-day at 3 o'clock, at the high school field.

Among the interesting events of last week was the request of Mr. Sandwick that every student submit in writing their ideas on improvements in school management. Many novel innovations were offered, chief among them being the idea that school should start at 8 a. m. and run only till 1 p. m.

Paul Gilroy, a post graduate, has been chosen coach of the Lake Forest Grammar school foot ball team.

Interest is beginning to crystallize in basket ball. Among those who will be candidates for the team are Greenslade, Bock, O'Neill, Fritsch, Mierhoff, Levin, Wrenn and McPherson.

An important piece of news to all the seniors is that all examinations in senior courses will be completed two weeks before commencement, so that candidates for graduation may have sufficient time to prepare. In this connection would it not be worth while to institute a regulation making the Oxford cap and gown the official dress at graduation? This has been done at Waukegan and elsewhere with good results. Deerfield Township High School is not too conservative to adopt a successful scheme of a rival, even if the idea does run counter to all its traditions.

The Alumni Association of the Class of 1907 will hold a subscription dance the latter part of the month, to aid in raising the 1907 medal of honor.

Our reporter visited his Alma Mater the other day, and observed fifteen stout, lusty gridders heroes stalking around crying for a jersey. A freshman informed him there was no money to buy them any. O tempora! O mores.

Prof. F. B. Williams told a reporter of the News Letter that the new forges were at last installed, and that they were giving good satisfaction.

Professors Howard Hill and A. R. Williams and a number of the squad attended the Chicago-Indiana foot ball game last Saturday.

**NORTHWESTERN UNIVERSITY**

Monday night, Oct. 5th., witnessed the opening of the new school of Commerce Northwestern University under the charge of Professor Willard E. Hotchkiss. He was head professor of Economics at the University. The school is an innovation in its way, and marks a new era in business training. Courses will be given preparatory to the C. P. A. examination. The financial success of the school is guaranteed by a number of business men in Chicago. It opened last Monday night with an enrollment of one hundred and fifteen pupils. Among the speakers were Professor Harris of the University and Professor Gray of Minnesota.

A good many old maids, evidently, never embraced anything, an opportunity not excepted.

We may shut our eyes to a painful truth; but we don't shut our ears—if it's about somebody else.

**Highwood News**

Mrs. Frank Curley of Highwood who is past 70 years of age was shot in the back by a stray bullet Thursday morning about eight o'clock. Dr. Wescott was called to attend the case and reported Mrs. Curley as resting easy. As to where the shot was fired remains a complete mystery. The Doctor has located the bullet and says she is doing as well as can be expected.

The ladies Auxiliary of the M. E. Church are giving a rummage sale today for the benefit of the parsonage which will soon be placed upon its foundation just back of the church.

Miss Mamie Cox and Mr. James Faucett were married at the home of Rev. James O'Neill at Highland Park. The bride was for a long period post mistress at Glencoe and the groom is freight agent of the North Western at Highwood. The young couple after an extended honeymoon will reside at Lake Bluff, Ill.

Charles Brown is down sick. Dr. Roberts pronounced it a case of Scarlet fever and the home is quarantined but Charles is already recovering and able to sit up.

Fires are playing havoc with the beautiful forests around Lake Bluff.

**A GREAT ENTERTAINMENT**

The good people of the M. E. Church who are working hard to build a parsonage scored a financial success in their entertainment Monday evening realizing something over \$30.00. The numbers on the program seemed to give immense satisfaction. Those who took part gave their services to the cause and were pleased with the results of their efforts. With its first appearance in public the Port Clinton Orchestra under the leadership of Estaban Pascal received a great ovation. Mr. W. C. Lloyd was applauded again and again by the audience and showed how well his solo work was received. R. M. Burgess gave the elocution work of the evening.

A great statesman is a politician who can persuade the people that the thing he wants is just the thing they want him to have.

**GOOD FORM OF EXERCISE.**

Rowing strengthens and develops the back and arms and broadens the chest, doing it in such a way that the hollows which are often found in the chest are filled out and the neck is rounded.

Unless the sport is indulged in to excess it will exercise, without straining, the whole body.

For children and women who are a little inclined to stoop rowing is a splendid exercise, in that it forces the taking of deep breaths.

**RATHER WATERY.**

"You have a new milkman?" interrogated the lady.

"Yes, indeed," responded her neighbor.

"What brand of milk does he sell?"

"Well, I call it the 'sky brand.'"

"And why such an unusual name, my dear?"

"Well, you see, one day it is blue and the next day it is cloudy."

Said Teddy to Little Kermit: "Won't this picture make a hit?"

Pa Teddy takes a gun shot. Then Kermit takes a snap shot. They both hit the mark. So do we hit the mark squarely in the bull's-eye of popular favor with our Family Laundry Work. Don't come with a gun but come with a bundle, and it will receive prompt attention.

**LAKE FOREST WEDDING EVENT**

Miss Dorothy Eckhart who is a daughter of B. A. Eckhart of Lake Forest was married on Thursday to Rev. E. Reginald Williams. The ceremony was performed by Bishop Anderson in the Church of the Holy Spirit, the rector assisting. On account of the reputation of Mr. Eckhart as well as the social popularity of the bride the wedding was one of the most brilliant events of the season.

The defendant, says Harper's Weekly, who was held on the charge of keeping a dog without a license, repeatedly tried to interrupt the evidence, but was hushed each time by the court. Finally the clerk inquired of him:

"Do you wish the court to understand," he asked, "that you refuse to renew your dog license?"

"Yes, but—"

"We want no 'buts.' You must renew your license or be fined. You know it expired on Jan. 1."

"Yes, but so did the dog."

Publicity is now one of the greatest forces in modern business, and is proportionately as profitable in the smallest as well as the largest business. You don't expect to drive in a nail with one blow. Stop advertising and you are forgotten.

The reason why men who mind their own business succeed, is because they have so little competition.

Want of love or want of money, lies at the bottom of most of our grief.
