The little darling, aged seven, who, when asked to recite to some lady callers, solemnly delivered herself of the following, should have a great future:

Stinkie, stinkie, little car, How I wonder what you are, Up and down the roads so fast, Ain't I glad when you have passed.

MOOR FOUND GUILTY

The jury in the case of Frank H. Moor, the Glencoe special policeman accused of shooting Miss Buena Stribling, in an attempt to stop the automobile in which she was riding, found him guilty after being out five hours reporting an agreement for conviction. Before the jury went out Judge Mack gave instructions which were regarded as favorable to Moor. He told the jurors that they could not find Moor guilty of assault with intent to kill unless they were convinced that he intended to take Miss Stribling's life. There are two other charges against Moor—that of assault with a deadly weapon and assault with intent to do bodily injury.

BRYAN MEETS THIRD DEFEAT

SPEAKER CANNON RE-ELECTED BY A VOTE LITTLE SHORT OF THE NORMAL.

Solid South Faithful to Democratic Nominee—City of Lincoln and State of Nebraska Also Give Him Majority, But So-Called "Doubtful" States Are in Republican Column.

New York, Nov. 4.—William Howard Taft of Ohio, Republican, has been elected twenty-seventh president of the United States, and James Schoolcraft Sherman of New York has been chosen vice-president. This is the outcome of one of the most remarkable political campaigns in the history of the republic.

William Jennings Bryan of Nebraska, the Democratic candidate, went down in the third defeat of his life's ambition to occupy the White House. Among the more significant results were the re-election to congress of Speaker Cannon and Chairman Sereno

James S. Sherman.

E. Payne of the house committee on ways and means; the election of Representative W. S. Cowherd as governor of Missouri, which therewith returns to the "solid south," and the re-election for a third term of Gov. John Johnson, democrat, in Minnesota.

One of the results surpassing the most sanguine hopes of most Republicans was Mr. Taft's carrying the greater city of New York by a plurality which approached 10,000. Furthermore, his plurality in New York state will be approximately 189,334, exceeding by nearly 14,000 Roosevelt's big plurality of 1904.

Only second in point of general interest was the victory of Gov. Charles E. Hughes, who was re-elected by a plurality estimated as well above 75,000 over the vote cast for his Democratic opponent, Lieut. Gov. Chanler. While Greater New York gave a plurality for Taft, it gave Chanler a margin of 66,843.

With 31 United States senators to be elected by legislatures chosen now or earlier in the fall, the Republicans will retain their control of both houses of congress.

Mr. Taft carried practically every so-called doubtful state except Nebraska, where Mr. Bryan was victorious. Mr. Bryan carried Nevada and Montana, in addition to the solid south, which includes Missouri.

Republican Pluralities Reduced. Some of the figures relating to the Republican slump in certain states regarded as certainly Republican, are little short of amazing. Pennsylvania's immense plurality of over 500,000 four years ago has been cut in two. Illinois, which gave Roosevelt 305,000 in 1904, has gone for Taft by about 170,000. The highest claim of the Republicans for Indiana is 15,000 as against a plurality of 93,000 for Roosevelt.

Iowa, which gave Mr. Roosevelt 158,000 plurality in 1904, has dropped down to about 57,000 for Taft. The return of Missouri to the Democracy on the presidential ticket wiped out a Republican plurality of 25,000 four years ago. Massachusetts, New York and New Jersey were striking exceptions to the generally reduced Republican pluralities.

Captain—What would happen if this ship should strike an iceberg? "The iceberg would move right along, madam, just as if nothing had happened."

And the old lady seemed greatly relieved.

"When they take woman away from the co-educational college," said the speaker, "what will follow?" "I will," cried a voice from the audience.—Success.

SAFELY REPUBLICAN

Senate and House Remain in Control of Party.

VICTORY FOR "JOE" CANNON

Speaker of the House Has Majority in His District of About 8,000—Democrats Have Not Made Gains They Hoped For—Summary of Results.

Chicago, Nov. 4.—Latest election returns indicate that the house of representatives is still heavily Republican, with a majority on division of 49. The Republican membership in the Sixty-first congress is 218, while the Democrats show only 173. The membership of the house is 391, and the majority necessary for control is 196.

Gains were made by the Republicans in North Carolina, Iowa and New York. The Democrats gained one district in Illinois, the Eighth, where Thomas Gallagher was elected to succeed Congressman McGavin. Republicans gain a district in Pennsylvania heretofore held by Democrats.

Speaker Cannon was re-elected by a majority of from 6,000 to 10,000. Congressmen Hepburn, Hull, Dalzell, Payne and other leaders of national importance who had hard fights were all successful.

The districts on which the Democrats relied to increase their present strength have, in most instances, returned Republicans.

Practically No Change in Senate.

The senate will show practically no change in political complexion, the Republicans retaining a large majority. The membership of the senate is 92, the hold-over members number 61 (43 Republicans and 18 Democrats). The election of 17 Republicans and 13 Democrats, as seems probable from the returns giving the make-up of the various legislatures which elect senators, would show the strength of the two leading parties in the senate to be: Republicans, 60; Democrats, 31; doubtful, 1.

State Legislature Republican.

The next Illinois state legislature will be Republican again. The greatest surprise in the state fight came in the defeat of State Senator Orville F. Perry for re-election in the Thirty-second district. He was defeated by James F. Gibson (Dem).

Berry was head of the "senate combine" and was recognized as the successor of Daniel Campbell, as the leader after Campbell's retirement to accept the postmastership of Chicago.

Cannon Re-Elected.

Danville, Ill., Nov. 4.—Joseph G. Cannon has been re-elected to congress by a plurality considerably above the normal. Returns are still incomplete, but enough figures have been obtained to show that he will probably have a plurality of at least 10,500. This is estimated to be in the different counties in his district as follows: Vermillion, 6,000; Iroquois, 1,500; Kanakooe, 2,000; Edgar, 700; Clark, 200; and Cumberland, 100. The result has been something of a surprise even to the friends of Mr. Cannon. The fight made against him by various church organizations, the Anti-Saloon League and organized labor, coupled with the fact that the Democrats had for the first time since 1863 a complete organization in this district, led the Republicans to believe that Mr. Cannon's plurality would not be over 3,000.

Hepburn Re-Elected in Iowa.

Des Moines, Ia., Nov. 4.—The indications are that the entire delegation in congress will be Republican, a gain of one over two years ago. There is a close race in the Sixth district between Hamilton, present incumbent (Dem.), and Kendall (Rep.).

The indications are that Cummings has defeated Lacey for the United States senatorship.

Taft's plurality in Iowa is announced as 57,000.

Taft Congratulates Hitchcock.

Cincinnati, Nov. 4.—Judge Taft at 9:10 p. m. sent the following telegram to Frank H. Hitchcock: "I am delighted to hear the favorable returns from all parts of the country, especially New York, and I wish to express my gratitude to you for the work which you have done and felicitate you on the accuracy with which you foretold the result indicating a clear grasp and wonderful political knowledge of the situation.—William H. Taft."

Gov. Hughes wired Judge Taft at 8:30 o'clock: "Heartiest congratulations on your splendid victory."

Chairman Hitchcock was heard from as early as 6:30 o'clock. He said: "Heartiest congratulations on magnificent vote."

Daniel J. Keefe sent this message: "Congratulations on your splendid victory. Labor voters appreciate and recognize their real friends."

THE ELECTION AT A GLANCE

LANDSLIDE FOR TAFT—HOWELL

Georgia Democratic Leader Comments on the Result.

Atlanta, Ga., Nov. 4.—At 10:20 Tuesday night, Clark Howell, national Democratic committeeman from Georgia, conceded the election of Mr. Taft. Mr. Howell gave the Associated Press the following statement: "It is a landslide for Taft. Mr. Bryan has made a wonderful campaign, but he could not overcome the prevailing idea that business conditions would be adversely affected by Republican defeat. It is now up to the Republicans to make good their pledge to restore prosperity, for to that pledge they must attribute their success more than anything else. Mr. Taft is a big, broad, patriotic American, and he will be fair and just to the south."

Returns Received in Havana.

Havana, Nov. 4.—The election returns were received at the newspaper offices, Camp Columbia, the Officials' club and the American club. Gov. Magoon held a reception at the palace, which was attended by many American and Cuban officials, and at which the returns were read. Early in the evening the governor sent congratulatory messages to the president-elect.

Race Track Enemy Re-Elected.

New York, Nov. 4.—Otto G. Foelker, the state senator who arose from a sick bed to go to Albany last spring and cast the deciding ballot which made possible the passage of Gov. Hughes' anti-race track betting laws, was elected to congress Tuesday from the Third district (Brooklyn) as a Republican.

Payne to Introduce New Tariff Bill.

Auburn, N. Y., Nov. 4.—The election of Sereno E. Payne, chairman of the ways and means committee in the house of representatives means that Mr. Payne will organize the tariff work of the next congress and will introduce the new tariff bill.

Chairman Hitchcock's Statement.

Chairman Frank H. Hitchcock of the Republican national committee made the following statement: "The returns speak for themselves. There seem to be no longer any doubtful states. The electoral vote will show that my estimate was correct."

It looks now, I think, as if I must have underestimated it. The returns have exceeded my expectations.

"The plurality in Indiana will be less than I expected. That in Illinois is far more than anticipated. And so it goes: where one state has not quite come up to the figures I had expected some other state has gone far beyond. The latest returns from Maryland indicate that we have carried that state by about 8,000 to 10,000 and that is more than I believed it would give."

Sir Walter Scott's novels have been more profitable than any other series of books published.

Too Rough for the Cows. Mrs. Rorer, of cook-book fame, tells of seeing a maid drop and break a beautiful platter at a dinner recently, says Everybody's Magazine. The best did not permit a trifle like this to ruffle him in the least. "These little accidents happen 'most every day," he said, apologetically. "You see, she isn't a trained waitress. She was a dairymaid originally, but she had to abandon that occupation on account of her inability to handle the cows without breaking their horns."

Poisonous Nettles of the Tropics. In the tropical regions there are nettles far more powerful than that of our own country. The one called Urtica stimulans, which is found in Java, and that called Laportea crenulata, found in Hindustan, when bruised emit an effluvium which poisonous affects the eyes and mouth, and if handled produce convulsions and serious swelling and pain in the arms, which will last for three or four weeks and in some cases cause death.

Coy Young Thing. The following advertisement recently appeared: "Being aware that it is indelicate to advertise for a husband, I refrain from doing so; but if any gentleman should be inclined to advertise for a wife, I will answer the advertisement without delay. I am young, am domesticated, and considered ladylike. Apply," etc.
