**HONOR LINCOLN'S MEMORY.**

It is probably true that there is hardly a man or woman, boy or girl, in Highland Park, who does not desire to add his or her tribute of love and respect, in some way or other, to the blessed memory of Lincoln, the first martyr president. Should these centennial celebrations of his birth be allowed to pass without some recognition on our part of the great worth of his character and achievements, the loss must be distinctively our own. We cannot all honor Lincoln's memory in the same way, nor can our thoughts all turn in the same direction.

While the country at large, and Illinois in particular, is endeavoring to lay its laurel wreaths of remembrance on the grave of Illinois' greatest citizen, we are glad that our own city is not to be left out of the opportunity to add its tribute of admiration. The occasion we refer to is the Lincoln dinner at the Moraine Hotel, Saturday evening, February 13th. On this occasion speakers will lead the thought of the men and women present by presenting some phases of the character of the Great Emancipator, and there will be, doubtless, other features to add to the enjoyment of the evening. This dinner will be open to everybody, and is intended to offer the chance for all residents of Highland Park, and those conveniently near, to join in an effort to show our civic, state and national pride and appreciation. Why not turn out to the capacity of the dining room, say two hundred couples, and enjoy together, not only a good dinner, but what is far more important, a feast of intellectuality and patriotic fervor. Let not our men and women be found wanting. Let's all help to make the occasion a success.

**THE FELLOWSHIP CLUB AND  
THE LINCOLN DINNER.**

The Fellowship Club was organized last week in the Highland Park Presbyterian Church by the pastor, Columbus Polk Goodson. Sixty prominent citizens are the charter members. The officers of the club are elected from the board of fifteen governors. The governors are: Curtis N. Kimball, president; Walter Everett Carr, first vice president; Walter H. Baldwin, second vice president; Carleton Moseley, corresponding secretary; Robert Knowles Buckman, Jr., treasurer; James Moir Troxel, recording secretary; Edward Percy Knapp, purveyor. Other governors are: Ira J. Geer, Ward A. Willets, Capt. Otho Heron Morgan, Frederick Morgan Steele, Frank B. Knight, Jesse L. Smith and Columbus Polk Goodson.

The purpose of the club as expressed in the constitution is to promote the spirit of sociability, fraternity and morality; spiritual development and Christian usefulness; and, as occasion may require, advocate and support movements for the general welfare of the community. While the club is an organization of the church, it is by no means confined in its membership to the men of the church. Already a large number of the members are among those not actively connected with any church, and on the board of governors are names of prominent men not members of the Highland Park Presbyterian church. Any man of good moral character may become a member upon a unanimous vote of the board of governors. There will be regular meetings once a month, and at these meetings some prominent speaker will be secured to deliver an address on the timeliest topics, and other features will be, something to eat, with after dinner prandials. There is to be a civics section, a religious section, a social section, an intellectual section, and an aesthetic section, which will have interest in the beautifying of the city.

The club will celebrate Lincoln's birthday Saturday evening, February 13th, at the Moraine Hotel. A dinner will be served at 6:30 o'clock, after which there will be an address by Prof. Shailer Matthews of Chicago University on Lincoln's Interpretation of Democracy. Professor Matthews is editor of The World Today, has written several important books on the great problems of the day, and is an orator of distinction. This celebration is to be participated in by the citizens of Highland Park, and adjoining communities, and every citizen should regard it a privilege to join in the commemoration. All who attend are requested to register at the Schumacher drug store, that adequate provision may be made for the comfort of every one.

At a meeting of the faculty held on Monday it was ruled that of all candidates for athletic teams should be inquired into a month, and that if the candidate was not eligible then, he should be debarred from athletics for a month. This rule went into effect immediately. "Bubbles" Greenslade, forward of the basket ball team, was declared under the ban. This appears unjust to the partisan mind of the student, it really was the open to the faculty, though a blow to the champions. **NOTES.**

A number of the students enjoyed a delightful sleigh ride on Monday. Four months till the finals. GRADUATED. Last week Friday evening was the occasion of the graduation exercises at the Elm street school. The following graduated: Kenneth M. Moore, Carl W. Gieser, Agnes F. Simmers, Constance M. Shields, William P. Morgan, Albert G. Renning, Ralph F. Davies, Isabella L. Pitts, Emma M. Fitt, Hildur O. Hallstrom, Harold T. Nolan, Ethel M. Van Riper, William F. Morton, Ida A. Naas, Helen A. Gipp, Charlotte E. Friese, Henry C. Siljestrom, Henrietta M. Ingersoll, John B. Sobey, Arthur S. Ralph. Kenneth M. Moore is president of the class. Nearly all of the graduates have entered the High School.

The exercises were not only unusual but interesting and impressive to an uncommon degree. In large measure it was a Lincoln program. While the pupils recited Lincoln pieces Professor Smith threw upon the screen many impressive pictures illustrative of the life and character of the great and greatly loved president. Each of the pupils speaking was prompt and effective and was in turn applauded.

There were several good musical numbers and the whole closed with a number of well executed patriotic tableaux.

Miss Ellen M. Guiney is teacher in this grade. Miss Octavia Blair is instructor in music. Prof. Jesse L. Smith is superintendent. No doubt each of these feel a just sense of pride at the commendable exhibition given by the pupils with whom they so earnestly labored.

It was an important event in the life of each of these fine boys and girls. Individually and collectively they acquitted themselves with honor and credit. If they do as well in every other event of life the labor and expense of their education will not be in vain.

Monthly or weekly meetings will be held, when the monthly publications of the League will be discussed. As soon as a sufficient number of members has been secured in Highland Park a public meeting will be held to be addressed by Bishop Fallows, and at that time a local organization will be effected. The full course furnished by the League comprises a monthly issue of articles and lessons contributed by the leading authorities on nervous disorders, psychology, religion and hygiene. All persons interested are invited to become members. Full information can be obtained through Professor Winchell, or by consulting Prof. Sandwick.

**RELIGIOUS WAVE SWEEPING  
BOSTON.**

All Boston's daily papers are giving from two to three full pages to the great revival meetings which are now in progress. The Rev. J. Wilbur Chapman, D. D., celebrated evangelist, has entered the city with more than one hundred ministers, singers and workers, and with the pastors is leading a simultaneous campaign, which is sweeping Boston as probably never in the history of the city. Papers state that more than 60,000 people are attending the meetings in all sections of the city. Dr. Chapman is preaching twice daily in the historic Tremont Temple, while his co-worker, Mr. Charles M. Alexander, is leading the singing. Thousands are turned away from the temple from every service.

Mrs. Columbus Polk Goodson, wife of our Presbyterian minister and daughter of Dr. Chapman, is now in Boston singing every evening in Tremont Temple for her father, and will remain throughout the campaign, which will be till the first of March.
