 Ill.,

Gentlemen:  
 We, the undersigned voters, residing in the northern end of the Third Ward, wish to record ourselves as sympathizing thoroughly with the appeal of the voters in the South end of the ward to the effect that they should in all fairness continue to be represented in the City Council by a resident and property owner living in the southern portion of the ward, and should not at this time be deprived of same. In conformity with the above, we respectfully urge our neighbors to vote for Joseph Fearing for alderman in the election which will be held on April 20.
