Among the greatest necessities of any well-regulated community is a First Class Laundry. The overwhelming majority polled by the Reliable L. party, at the Election, Tuesday, is very convincing of their ability and popularity. On every hand they are to be congratulated for even his enemies; because if you indulge their most excellent showing. Their platform was not built on the spur of the of the moment but it is the result of years of experience, in the Laundry business, and their experience has taught them the wants of a "Particular" laundry-using public. No expense has been spared in the equipment of their plant, nor will there be in the future, for anything that will improve their work.
