

North Shore Auto Depot

Ready for a Larger Business

Our business has grown to such an extent that we were forced to build a large room. It is built separate from the Machine Shop and wash room. We can store twenty five cars, and assure our Customers that their machines will be well protected :: :: ::

??

HAVE you secured your yearly supply of fuel?

DO you realize that now is the time of year to put in in your coal for the winter?

DO you know that we are Sole Agents for the celebrated Cross Creek Lehigh Anthracite Coal, mined only by the Lehigh Valley Coal Co.?

DO you know that we are delivering this coal now in all parts of the City?
