

Mrs. Young (proudly): "The landlord was here today; I gave him the quarter's rent and showed him the baby." Mr. Young (who was kept awake last night): "It would have been better, my dear, if you had given him the baby, and shown him the quarter's rent."

An All-Round Patriot.

Smith—Good morning, Jones! I hear you have a son and heir. Jones—Yes, our household now represents the United Kingdom. Smith—How's that? Jones—Why, you see, I'm English, my wife's Irish, the nurse is Scottish, and the baby wails!

And Knox Meant It.

"Now, Mr. Knox," said the professor of physiology, "can you tell me with what faculty a man could most easily dispense?" "Yes, sir," answered the student. "Good," said the professor. "Which one?" "The college faculty," replied young Knox solemnly.

Furs and Their Origin.

"Where do we get our most valuable furs?" asked the teacher. "From the fir tree," said the wide-awake boy. This recalls a story of a young woman from the country who entered a draper's and asked for a muff. "Yes, miss," said the shopman. "What?" "What for?" echoed the girl in astonishment. "Why, to keep my hands warm, of course!"

The Other Way About.

"I understand that you said some of my jokes were as old as the hills?" interrogated the struggling humorist in crestfallen tones. "My dear sir, you have been misinformed," sighed the busy editor. "That I said was that some of the hills were as old as your jokes."

An Overworked Member.

"John," said the doctor's wife, "your tongue looks bad this morning. There must be something wrong with me." "Yes," replied the doctor. "Over-worked, perhaps." "But really, I haven't been working hard." "I didn't see you were over-worked. I referred to your tongue."

Demonstration.

Mrs. Mulvaney (the laundress) glared at her maid, and its miserable expression. "I am-but just on me feet the pain in me back, and my boy here, he's as bad as I am. He has a cough on 'im that looks like an empty barrel. Oh for the lady, Jimmy!"

The Test of Quality.

Mrs. Neurich (in music store): "I want a piece of music for my little girl, who is learning to play piano." Clerk: "Yes, ma'am. Here is 'The Maiden's Prayer' for you. How would that suit?" Neurich: "Oh, she's further advanced than that. Why, last time she played a piece that cost me eight. Haven't you some for about four shillings?"

An Awkward Mistake.

In a small country church a sermon was brought forward for baptism. The young minister, taking the little one in his arms, as follows, 'Beloved hearers, I can foretell the future of this child. He may grow up to be a great astronomer like Sir Isaac Newton or a great Labor Union leader like John Burns, and it is possible he might become, like Mr. Asquith, Prime Minister of England.' Turning to the mother, he said, "What is the name of this child?" "Mary" was the reply.
