When you hear the fire whistle,  
 PLEASE DO NOT CALL CENTRAL  
 and ask her the location of the fire.

It is required of the operator on an  
 occasion of this kind that she notify the  
 various Fire Officials and Men and hold  
 herself in readiness to give additional  
 information should Fire Department  
 so request.

Quite frequently the Fire Depart-  
 ment calls for additional help or a doctor  
 and the completion of an important call  
 of this kind, as well as regular routine  
 calls, might be considerably delayed  
 were operators unnecessarily busy in  
 replying to the many requests of the  
 public as to the location of fire.
