the Best, Sir

Because its an

on, Crane & Pike

paper, the paper that discriminating man and uses for particular correspondence.

Don't deceive yourself into thinking that your friends do not know and judge you by the character of the stationery you use. This was not so ten years ago as it is today. Correctness in stationery has become as necessary as correctness in dress. Eaton, Crane & Pike papers are not only in-teresting, but they are of the highest quality, most pleasing to the eye, and within reach of everybody, as far as price is concerned.

We want to show you our new line of these beautiful
