The door to success is always marked "Push."
People wouldn't die so fast if they didn't live so fast.
Men who stand on their dignity often have very small feet.
A poor sermon should not be long—a good sermon need not be long.
A man may be faithfully judged by the women that he knows.
A woman can say more with a few tears than a man can express in a great big book.

If faults showed on the surface most people would look as if they had the measles.
Miss Grace Power returned to Glencoe last week from a visit to friends in the East.

One of the hardest things in the world is to keep the brass band from mistaking itself for the whole procession.

If everyone took up as much room as he thinks he does, many people would be crowded off the face of the earth.

It is as natural for a man to lay his troubles on others as it is for a girl to leave the dirty dishes for her mother.

Mr. and Mrs. W. J. MacDonald and family of Park avenue returned to Chicago for the winter and will have apartments at the Virginia.

Miss Catharine Howard returned to Glencoe last week. For three months she has been visiting friends and former Glencoe people, now living on the Pacific Coast.

The Canadian Pacific Railway Company is not only the largest landowner in the world, but also employs seventy-five thousand men in all parts of the globe. Thos. Keiss Killed

Thomas Keiss Sr., an old resident of Glencoe, was killed by the C. & N. W. Ry. train at Lincoln avenue crossing, Glencoe, at 7:14 a. m. Monday, October 18th. The train was just pulling into the station, while Mr. Keiss was crossing the tracks. There are no gates or watchman at this crossing.

Rabbi Schanfarber Replies to a Recent Magazine Article.

There can be no question that there is a growing indifference among the Jews today toward their religion. The number of the nonaffiliated Jews runs up into 75 per cent of the population of the Jews of Chicago. A similar condition prevails in many of the large cities of the country. But the conditions in Christendom are no better, and perhaps they are a little worse. I have seen a statement that there are more than a million Christians in Chicago who never attend the church and who are wholly outside of all church affiliation.

There was considerable disturbance on the street Sunday, caused by a crowd of people from out of town who had come to Deerfield expecting to enjoy a general disturbance.

The students of the Deerfield School are planning on giving a Basket Social on Halloween at Anderson's Hall for the benefit of the school. It is hoped that all of our readers that can possibly go will do so and encourage the pupils in helping them earn the money with which they want to buy books and an organ. The admission will only be twenty-five cents.
