TRUST THE TELEPHONE

Chicago Telephone Service is reliable—trustworthy. You need not brave the weather or walk a block to shop—your telephone handles the work promptly and effectively. Costs but a few cents a day.

IT LESSENS WORRY

The telephone is a guard against worry. A "call" from the absent one ASSURES you of his safety; the physician's quick response RELIEVES ANXIETY in the sick room; a pleasant chat with relative or friend BREAKS the monotony of a long day. Slight cost. Chicago Telephone Company.

ALWAYS READY TO HELP

Night or day, rain or shine—the telephone is ready to fleetly carry a message and aid in the solution of domestic problems or find the CURE for emergencies. That's when the rental rate seems low. Chicago Telephone Company.

NO QUESTION OF FINANCE

You reach others, others reach you—and the telephone proves indispensable. It handles your work promptly and effectively. No purse too lean to bear the slight expense. Chicago Telephone Company.

NOT A LUXURY

Telephone service is a common-sense economy. It saves you time, money and needless trips. Cost—only a few cents a day. Chicago Telephone Company.

A HANDY HELP

Besides its CONVENIENCE and DISPATCH, the telephone serves in a thousand other ways. It is a protector, a messenger, a bureau of information. Slight expense. Chicago Telephone Company.
