A lawyer came into court drunk, when the judge said to him: "Sir, I am sorry to see you in a situation which is a disgrace to yourself and family and the profession to which you belong." This reproof elicited the following colloquy. "Did your Honor speak to me?" "I did. I said, 'sir, in my opinion, you disgrace yourself and family, the court and the profession by your course of conduct.'" "May it please Your Honor, I have been an attorney in-in-in-in this court for fifteen years, and permit me to say, Your Honor, that this is the first correct opinion I ever knew you to give."

Explained. Dentist—Why, I just put that bridge work in last week. What happened to it? Woman—I quarreled with my husband and while indulging in a torrent of invective the flood of words carried out all the bridges—Kansas, City Times. Rather Paradoxical. "One thing always puzzled me about a parliamentary proceeding." "What is that?" "How a man can be so aerobic as to be the chairman of a standing committee."

Phyllis (up from the country)—But Lick, this is just like the last piece you brought me to see here. Dick—My dear Phyllis, don't be absurd. This is the "Naughty Girl of Nice" and the other was "The Grasse Widow." Surely you know that Nice and Grasse are two entirely different places. "How can your firm beat our company? We sell the only absolutely burglar-proof safes made." "Ha-ha! We sell cashier-proof safes!" "Don't be afraid of the bacon, Mr. Jenkins," said the landlady to the new lodger. "Not at all, madam, I've seen a piece twice as large and it did not frighten me a bit." Vanity in a woman is almost as bad as conceit in a man. The average man no sooner acquires a virtue than he proceeds to advertise it. The Amateur. The house dog's left the kitchen door. Where once with faith complete He lingered hourly to implore Some dainty thing to eat. With mournful bay he went away. Nor gave one backward look. Home is no place for dear old Tray Since Gladys learned to cook. She says that eggs and meat are not Required by you and me; She tosses string beans in the pot With epicurean gleam. We struggle with the bill of fare That she reads in a book. Indeed, this life is full of care Since Gladys learned to cook.

A Washington woman has in her employ as butler a dandy of a pompous and satisfied man who not long ago permitted a chocolate-colored damsel, long his ardent admirer, to become his spouse. On one occasion when the mistress of the house had occasion temporarily to avail herself of the services of the butler's wife, it was observed that whenever the duties of the two brought them in conjunction the bride's eyes would shine with extraordinary devotion. "Your wife seems wonderfully attached to you, Thomas," casually observed the mistress of the house. "Yes, ma'am," answered Thomas complacently. "Ain't it jest sickening?"
