 "They praise the man in this house for being so handy," said the Doctor, "but he has me all unbinged."
 "He gives me a pane," ejaculated the Window.
 "I'm simply unstrung me," said the Blind.
 "He's got me all out of shape," complained the Curtain.
 "He took altogether the wrong tack with me," sneered the Carpet.
 "Why don't you do as I do, and just take a stand?" said the Table.
 "It's well for you to talk, but my wrongs are deep-seated ones," sobbed the Chair.
 "I have an idea," burst out the Clock.
 "Let's go on a strike!"

Changed Front.
 "She changed front on the suffragette question."
 "I did not know that, though I knew she had changed front on the fashions."
 "How was that?"
 "She used to be very buxom, but she adopted the flat shape when it came in fashion."

 "What a nice advertisement for the personally conducted travel trips!" replied the Casual Observer.
 "What is?" demanded the Practical Person.

Winter in this section is getting to be as uncertain as a Taft policy.
 What has become of Mr. Edison's \$1,000 house—just-as-good-as-the-\$5,000 variety?
 Theodore Roosevelt is said to be bringing home several fine elephant hides, but Africa can produce no finer specimen than that which Joe Cannon has worn throughout his many frisky and glorious years in public life.

The City of Philadelphia spent \$8,000,000 more than its income last year. All on account of the increased cost of living of course.
 Why didn't they solve that Mississippi Senatorial deadlock by compromising on Private John Allen?

James H. Hyslop, the brilliant psychologist, narrated, during a discussion of the Paladin case in New York, an original old lady's opinion of ghosts.
 Ghosts! exclaimed the old lady scornfully. I don't take any stock in them. If you die and go to the good place it isn't likely that you'd want to waddle back to this poor vale of trouble, while if you go to the bad place you'll be kept there.
