Editor North Shore News

Dear S

ter of the communicat  
week's issue, signed by  
public should know some  
the real situation than Mr  
conveys.

Mr. Bahr's communica  
a report of the Finance  
City Council, recommend  
sue of \$50,000 and asking  
pass an ordinance and s  
sition to a vote of the  
spring election, as requi

It is a great mistake t  
west side division of the  
stantly be raised by the  
dents, as it is a false iss  
tributemental to the intere  
city. But it has been ra  
fore I will treat it in this  
casion seems to demand

In the first place the  
tee of the City Council  
over the condition of the  
and found that the bridg  
drawn nearly \$15,000, la  
of repairs to various bri  
past three years. This  
sent all the cost of cons  
pairs during the time o  
the overdraft. The tota  
the bridge account durin  
the sum of \$17,980; of t  
was on account of tw  
bridges constructed, a  
account of old bridges r

It is obligatory upon  
to take steps, to provid  
this deficit just the sam  
tory to maket he repair  
bridges, which occasion  
ture. Therefore the  
Finance Committee a  
bond issue was \$15,000  
count.

2nd. The condition  
ply, (occasioned largel  
System of Fort Sherida  
outlet of our city, at th  
avenue, emptying raw  
lake,) is such that it b  
that we construct anoth  
the lake shore for the  
sewerage from district  
prises all that portion  
South of Central avenu  
Green Bay road. Wh  
in, then all of own sew  
ing into the lake will  
septic tanks, which w  
minimize all our own  
ination, but its unsa  
not be entirely remo  
adds filter beds to  
Within a few years su  
will have to be installe  
ly our sewerage to 9  
then it will be purer th  
itself.

We have the assur  
ernment will proceed  
complete purification  
dan, which is someth  
striving for years to h  
authorities have only  
the necessity for such  
of the health of the m  
will benefit Highland  
ply very materially; u  
septic tank cannot be  
assessment in that se  
therefore must be p  
general fund.

In consideration o  
this septic tank at  
avenue, the Finance  
to recommend as the  
bond issue, the sum  
purpose of constructi

The argument that  
an east side issue, is  
as it is for the decreas  
of our water supply, v  
portant for the west

Furthermore, a ver  
of the sewerage that  
outlet is from the we  
of the west side em  
into the lake, excep
