Who is It From?

If it is written on stationery
"Made in Berkshire" by

Eaton, Crane & Pike

you may be sure that it is from some
one who has good taste and knows
"what's what." These papers are
highest in quality, most beautiful in
texture and finish, and always correct
as to size, tint and shape. We know
that you will like them.

Next time you are down our way
drop in and examine our fine line of
these celebrated papers.

THE GREAT PYRAMID

of Cheops required for its construction 6000 years,
and the labor of 100,000 men for twenty years. In
this day the work of building would be largely
done by machinery, and much of it would be operated by

ELECTRICITY.

The force that does man's bidding instantly, whether
it is required to actuate the heaviest mechanical ap-
pliance or light a fairy lamp. It is peculiarly adapted
to the requirements of a household, for

ELECTRIC LIGHT

is the finest of artificial illuminants, and costs no more
than others, and

ELECTRICAL APPLIANCES

do work which done by hand is most laborious. They
cost but a trifle to operate.
Let us estimate the cost of wiring your house. We do the
work at cost, payable in 24 monthly installments.
