**CROWN PIANOS** are made for more than showroom tests. They must merit our approval before being offered for yours. When our name is placed upon the magnificent instruments we know they are worthy to bear out the reputation that makes a Crown Piano unquestioned—like a royal signet. It is ready to prove its power of tone and endurance in the hard wear of actual use and climatic changes. You can buy lower-priced pianos, but we will not cheapen the "Crown" piano to make a sale. We shall raise the price if necessary to keep workmanship and material to the standard that has made the name stand for something to music experts.

*You need to look only for the name "Crown," Geo. A. Bent, Chicago. We pledge the rest in our guaranty. Send a postal for the beautiful Catalogue W. You can buy of our agents or at home.*

Or "getting more papers each day I read,"  
But always says "send it the whole likes it—"
