IN TOUCH WITH FRIENDS and RELATIVES

A GRANDMOTHER may not be as spry as she used to be, but she is in close touch with her world for all. The telephone enables her to make as many calls as she pleases, and in all sorts of weather. Formal gatherings have their place, but it is the many little intimate visits over the telephone that keep people young and interested. Grandmother's telephone visits do not stop with her own town. The long Distance Service of the Bell Telephone takes her to other towns, and allows relatives and friends to chat with her although hundreds of miles away.

One Murder May Clear Another. Albany, Oregon, June 29.—Jesse Burleson, said to answer the description of a man wanted in South Dakota for murder, is in the Coos county jail. He was arrested on complaint of a prisoner accused of another murder in South Dakota.

... Woods and given an unmerciful beating with hickory clubs until they begged for their lives pitifully. One was shot in the hip. Then the negroes, covered with blood, were turned loose and ordered to clear out. The negroes were again captured by the sheriff near Wickliffe and lodged in the county jail and held until they were released upon the advice of the girls' father. They were ordered to immediately leave the county.

Dr. Quoin.—Announcement has been made here of the marriage of Dr. Fountain Pierce Leigh, head of the musical department of Central College, Pella, Iowa, and Miss Mary Elizabeth Fleming of Chicago. The ceremony was performed in Chicago February 22 last, but was kept a secret by the bridal couple. Dr. Leigh is the son of Dr. J. T. Leigh of this city, is a graduate of the University of Chicago and of the Bush Temple of Music of Chicago. On his graduation from the latter institution he received the degree of doctor of music, and was probably the youngest person in the United States to be so honored, being at that time scarcely twenty-one years old.

EXPLAINS RETURN TO STAGE

Miss Illington's Friends Trace Her Action to Collapse of Harriman Plans.

Tacoma, Wash., June 29.—The death of E. H. Harriman, it is said, is largely responsible for the return to the stage of Mrs. Margaret Illington Bowes, announced recently. Her husband, Edward J. Bowes, is the chief owner of several thousand acres of Tacoma suburban acreage.

Failure of Mr. Harriman's plans to build a railroad from Portland to Tacoma delayed the development of Mr. Bowes' property.

Mr. Bowes' indebtedness on his large holdings is said to approximate \$500,000. It is said by their friends that Miss Illington's return to the stage is prompted by a desire to help her husband develop his real estate.
