THEODORE THOMAS ORCHESTRA

AT RAVINIA PARK

WEEK OF JULY 24th

The second and last week of the engagement of the Theodore Thomas Orchestra at Ravinia Park begins Sunday. Frederick Stock puts forward again a series of programs of great variety and beauty. Many of the popular Overtures, Marches, Waltzes, Ballet Suites, Experts from the Operas, and the lighter forms of semi-classic literature, form the program. Four soloists will appear this week. On Tuesday Mrs. Truman W. Aldrich Jr., a Southern woman and a pianist of distinction will play the "Concertstuck for piano" by Weber. Miss Della Thal will play the "First Movement of Tschaiakowsky's piano Concerto" on Thursday evening. Bruno Steindahl, First Cellist of the Orchestra will be the Soloist Friday evening and Hans Letz the Concert Meister on Saturday evening. Thursday will be Children's day and Friday evening "Wagner Night".

Beginning Saturday July 31st. Mr. Walter Damrosch and the New York Symphony Orchestra will begin their annual engagement.

The numerous out of town theatre managers who were in the city last week witnessed the performance of "My Cinderella Girl" at the Whitney Opera House

and were so favorably impressed with Franker Woods in the part of Tom Harrington that they persuaded Messrs. De Lamater and Norris to organize a second company for the road, consequently there will be two companies playing "My Cinderella Girl" next season, both opening on Labor Day.

WASHBURN PIANO

MUTUAL BENEFIT PURCHASE PLAN

Here is your opportunity to get a fine instrument at a special price. READ THIS PLAN CAREFULLY.

To every purchaser of a Washburn Piano at retail on our ware room floor during May, 1910, we shall allow \$1 for each Washburn Piano sold by us at retail during the month up to the number of twenty-five; for the next Washburn Pianos sold up to fifty we shall allow 50 cents each; for the next Washburn Pianos sold up to one hundred we shall allow 25 cents each.

This is a bona-fide Mutual Benefit Allowance which we charge to advertising, because we believe it will be worth a large sum to us to introduce the latest models of the Washburn Piano in all sections of the city at once. To those who buy a Washburn Piano for cash we will send a check for the amount of the benefit June 1st, and to those who buy on time we will make a credit on their note or account.

EXAMPLE—Thus, should we sell only twenty-five Washburn Pianos at retail during May, this benefit would amount to \$25 (\$1 on each of the first twenty-five Washburns sold); should we sell 50 Washburns it would amount to \$75 (\$1 on the first 25 and 50 cents on the second 25); should we sell 100 Washburns this benefit would amount to \$125. You would actually save that sum. The retail price of the Washburn Piano remains precisely the same as always—\$275, \$300, \$325 and upward. \$10 down will place one of these beautiful Washburns in your home. The balance may be paid by easy monthly installments.

PLEASE OBSERVE that this offer in no way savors of a Prize, or Fuzzle Contest—but in the strictest sense of the word is a Straight-forward Business Proposition.

The Washburn Piano is made by the same factory organization that made the world-famous Washburn Mandolins and Guitars. It is owned by the stockholders of Lyon & Healy.
