THE LUXURY of reading in BED

Is one that appeals to young and old. With ordinary illuminant it is often dangerous and almost always inconvenient to place a light properly.

THE ELECTRIC BED LIGHT

Realizes every necessary condition of safety convenience and a properly located light. The controlling switch can be placed anywhere. This is one of the possible features of a house wired for Electricity.

WE wire houses at cost figures included, no interest and 24 days to pay.

GENERAL NEWS.

Alfred Villa reached Tucson, Ariz., after driving forty miles with the dead body of his brother, who had been killed by lightning. The surviving boy was paralyzed, and could use only one hand.

Robert Treat Paine, president of the American Peace society and widely known as a philanthropist, died at his home in Waltham, Mass. He was a sufferer from paralysis.

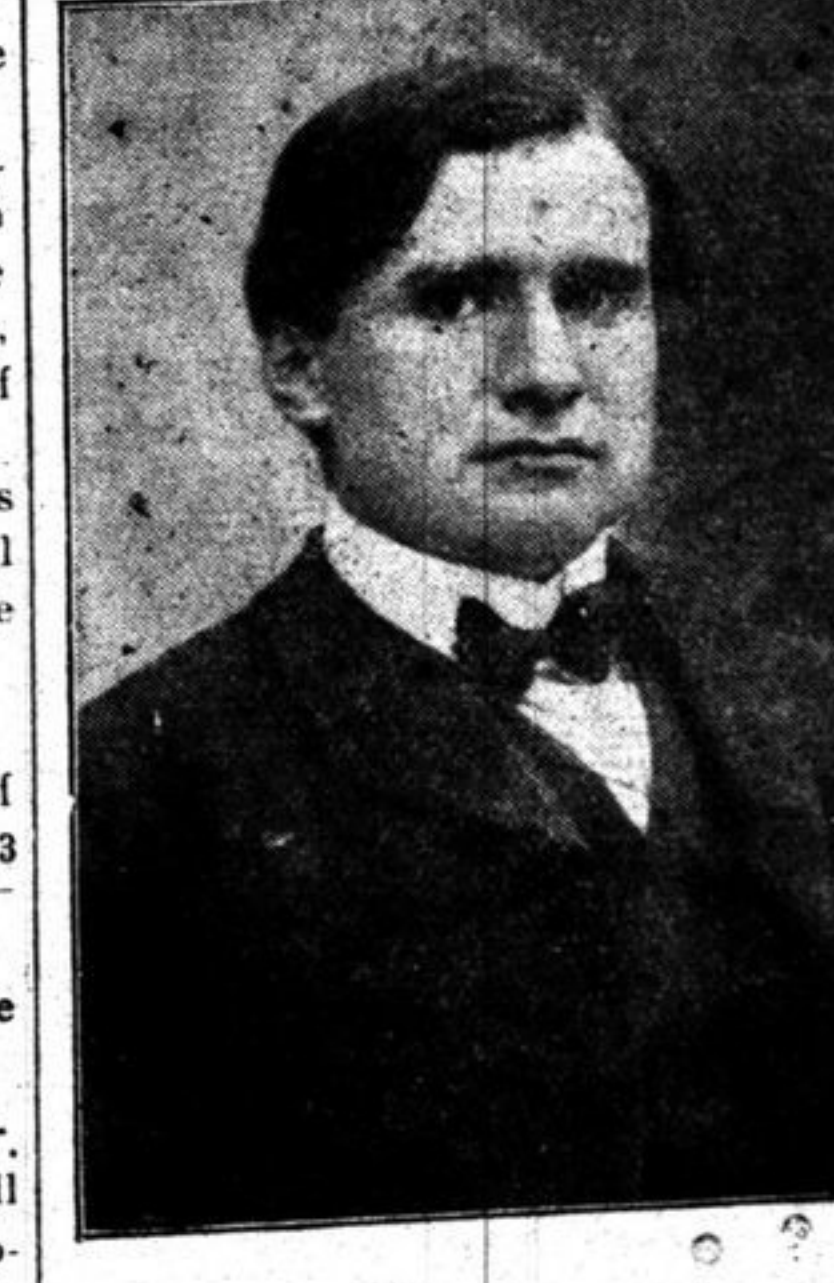

An excursion train from Bordeaux, with 1,200 passengers and running at a speed of 50 miles an hour, crashed into a freight train at Saumon, France. Thirty-two persons were killed and 100 injured. Many of the victims were school girls. A misplaced switch caused the accident.

Rioting was resumed in Columbus, O., and one man was fatally shot and five others injured. So fierce was the violence of the crowds that all street car traffic was abandoned.

After keeping his secret for two years, Thomas Mooney confided to a friend in Kansas City, Kan., that he had clubbed his stepfather to death in a quarrel. The friend repeated the confession, the police heard of it, and Mooney is in jail.

Four persons were killed and three injured when a south-bound passenger train on the Chicago & Erie railroad struck an automobile at a crossing near Rochester, Ind.

With every clue proving at fault, the police who have been investigating the mysterious killing of the wealthy attorney, William L. Rice, in Cleveland, have fallen back on the theory that the murder was the work of hold-

A Great Opportunity! But You Must Act Promptly! Lyon & Healy's WASHBURN PIANO MUTUAL BENEFIT PURCHASE PLAN

Here is your opportunity to get a fine instrument at a special price. READ THIS PLAN CAREFULLY.

To every purchaser of a Washburn Piano at retail on our wareroom floor during May, 1910, we shall allow \$1 for each Washburn Piano sold by us at retail during the month up to the number of twenty-five; for the next Washburn Pianos sold up to fifty we shall allow 50 cents each; for the next Washburn Pianos sold up to one hundred we shall allow 25 cents each.

This is a bona-fide Mutual Benefit Allowance which we charge to advertising, because we believe it will be worth a large sum to us to introduce the latest models of the Washburn Piano in all sections of the city at once. To those who buy a Washburn Piano for cash we will send a check for the amount of the benefit June 1st, and to those who buy on time we will make a credit on their note or account.

EXAMPLE—Thus, should we sell only twenty-five Washburn Pianos at retail during May, this benefit would amount to \$25 (\$1 on each of the first twenty-five Washburns sold); should we sell 50 Washburns it would amount to \$37.50 (that is, \$1 on the first 25 and 50 cents on the second 25); should we sell 175 Washburns this benefit would amount to \$75. You would actually save that sum. The retail price of the Washburn Piano remains precisely the same as always—\$275, \$300, \$325 and upward. \$10 down will place one of these beautiful Washburns in your home. The balance may be paid by easy monthly installments.

PLEASE OBSERVE that this offer in no way savors of a Prize, or Puzzle Contest—but in the strictest sense of the word is a Straight-forward Business Proposition.

The Washburn Piano is made by the same factory organization that made the world-famous Washburn Mandolins and Guitars. It is owned by the stockholders of Lyon & Healy.
