A Great Opportunity But You Must Act Promptly! Lyon & Healy's WASHBURN PIANO MUTUAL BENEFIT PURCHASE PLAN

Here is your opportunity to get a fine instrument at a special price. READ THIS PLAN CAREFULLY.

To every purchaser of a Washburn Piano at retail on our warehouse floor during May, 1910, we shall allow \$1 for each Washburn Piano sold by us at retail during the month up to the number of twenty-five; for the next Washburn Pianos sold up to fifty we shall allow 50 cents each; for the next Washburn Pianos sold up to one hundred we shall allow 25 cents each.

This is a bona-fide Mutual Benefit Allowance which we charge to advertising because we believe it will be worth a large sum to us to introduce the latest models of the Washburn Piano in all sections of the city at once.

To those who buy a Washburn Piano for cash we will send a check for the amount of the benefit June 1st, and to those who buy on time we will make a credit on their note or account.

EXAMPLE:—Thus, should we sell only twenty-five Washburn Pianos at retail during May, this benefit would amount to \$25 (\$1 on each of the first twenty-five Washburns sold); should we sell 50 Washburns it would amount to \$50 (that is, \$1 on the first 25 and 50 cents on the second 25); should we sell 175 Washburns this benefit would amount to \$75. You would actually save that sum. The retail price of the Washburn Piano remains precisely the same as always—\$275, \$300, \$325 and upward. \$10 down will place one of these beautiful Washburns in your home. The balance may be paid by easy monthly installments.

PLEASE OBSERVE that this offer in no way savors of a Prize or Puzzle Contest—but in the strictest sense of the word is a Straight-forward Business Proposition.

The Washburn Piano is made by the same factory organization that made the world-famous Washburn Mandolins and Guitars. It is owned by the stockholders of Lyon & Healy.
