for opening a road along this proposed line. Then they were denied the use of the only highway from the south by which their property could be reached...

Attorney Culver explained at length the circumstances which had led to the inauguration of the present procedure. He had discovered that an option on a 60-ft. strip between the Village line and the County line had been given to the highway commissioners...

Mr. Markwell said the Club had leased the ground between the Village line and the County line for thirty years. They were not informed by the owner, nor otherwise aware, that there was an option out on the 60 feet strip at the west end.

Mr. Spiegel challenged a statement by Mr. Culver that there was need of the road. Mr. Culver had said an effort was made 15 years before to open this road, but that the measure failed because the jury had given Mr. Beinlich such heavy damages for the land to be taken from him that the village could not afford to take it...

Mr. Spiegel questioned the statement that there was neither any public need of the road or any demand for it on the part of the people of Glencoe. His own inquiries in the past two or three years had shown very few persons in the Village even knew these proceedings had been inaugurated. If the road were opened to the county line, it would afford no thoroughfare. Highland Park would not take up and carry it through, and unless that were done it would be no thoroughfare.

Mr. Olson strongly supported the project to open the road. He thought it was much needed, and if it was to be secured at all it must be done at once so as to take advantage of the present option held by the township commissioners on the strip between the Village line and the county line.

It was finally agreed, on motion of Mr. Sayles, to postpone further consideration of the matter; that the members of the Board would meet the Township Commissioners at three o'clock Saturday and resume consideration at the Village Hall an hour later.

Before adjourning the Board recommended an ordinance for a standard concrete sidewalk along the east side of Green Bay Road from Central avenue to South avenue, including stubs on intersecting streets to connect the walks on those streets with the walk to be laid on Green Bay Road. This ordinance was also passed by the Board of Trustees.

An order was made to advertise for bids for the sidewalk and paving in the Sylvan Newhall subdivision and re-advertise for bids for the five thousand linear feet of sidewalk previously advertised for under Specs 162, 169, 170, 171 and 173 and for the Green Bay Road improvement. Bids returnable to meeting on the 27th inst., to which date both Boards adjourned.

After 4:00 p m Saturday the members got together at the Village Hall, President Hughes and Trustees Camp, Glaser, Olson and Sayles being present. It was stated that the Township Commissioners had declined to accept Mr. Hobbs' option, thus terminating the proposed co-operation with the Village of Glencoe with a view to the opening of the projected road. Without further action, the Board adjourned to Tuesday evening 27th inst.

DEATHS

WILLIAM O. HIPWELL.

One by one the old citizens of Highland Park are dropping out of the ranks and passing over to the Great Majority. New recruits are taking their places and carrying on the work they began. It is the inevitable law of change and progress.

On Wednesday September 14, word came of the death in Los Angeles, California, of William O. Hipwell who for more than thirty two years has been a familiar figure in our community and a man universally beloved and respected.

Mr. Hipwell was born in the North of Ireland on July 1st, 1835 and came to this country in early manhood and settled in Chicago. For many years he was an official of the Union National Bank, but upon the consolidation of that institution with the First National Bank he retired from active business and enjoyed a period of well earned leisure.

For the past two or three years he has spent much of his time in California, and for a year or more has been in failing health, although recently he seemed so well that Mrs. Hipwell felt that she might safely leave him in the care of his daughter while she made a brief visit to Highland Park to attend to necessary business affairs. The end came suddenly and unexpectedly from heart failure and Mrs. Hipwell's first intimation that he was not gaining strength daily was the telegram announcing his death. Miss Hipwell has been with her father for the past year and was with him at the end and brought his body back to his old home, where the funeral services were held in Trinity Church on Thursday morning, September 22d. The interment was at Rose Hill.

During the long period of Mr. Hipwell's residence in Highland Park he was an active member of Trinity Episcopal Church of which he was for thirty-two years a vestryman and for twenty-four years Warden. He was especially interested in the Sunday School and was for many years its Superintendent. Many who are now middle aged men and women remember with gratitude how devoted he was to this work, and many lives have been shaped and inspired by his example and teaching. As a lay reader too, he took part in the services of the church and the most vivid memory which many retain of him is as he stood at the lecture reading the lessons at the Sunday morning services.

He was one of the organizers of the Public Library of which he was president of the Library Board for many years, and was also a member of the City Council.

Mr. Hipwell will be long remembered as a good citizen, a successful business man, a faithful friend, a wise councillor, a man of deep religious convictions and active in all good works. Such a man in brief, as we can ill afford to lose. May he rest in peace.

WILLIAM O. TEGMEYER.

William O. Tegmeyer, secretary of the Chicago Terra Cotta Company, died last Wednesday September 14th.

He had been ill for about three months. Mr. Tegmeyer was born in Chicago forty-eight years ago and resided there until about a year ago, when he removed to Highland Park because of his business connections. Previous to his connection with the terra cotta company he was manager of the Northwestern Brewing company. Besides the widow, a daughter, Ruth, and a son, William, survive him. Funeral services were held Friday at the Chapel in Graceland Cemetery.

MRS. HENRY K. COALE.

On Friday, September sixteenth, occurred the death of Mrs. Henry K. Coale of Highland Park.

Hers was a simple life contrasting with the modern lives of most women of today. The walls of home bound most of her interests. Because of the retired life she chose to live her circle of acquaintance was not large. The few who were so fortunate as to possess her friendship will miss her sadly. To these she was most loyal and devoted. She loved the children, too. Several of the growing youths and maids in this town will treasure the memory of sweet visits and happy birthdays gladdened by this generous

woman. In pleasant weather, when she was in health, one would surely find her in the garden where she loved to work over her flowers. It was her delight, too, to share these flowers. Her neighbors commonly received more than she kept herself.

Her illness began last spring and lasted through the summer. Death came to her release while she sat in her rolling chair upon the porch, surrounded by her devoted family. She is survived by her husband and three children, Helen B. Mildred L. and Henry K. Coale Jr.

The funeral was held at the home on Sunday at two o'clock. The service was conducted by Rev. C. P. Goodson who spoke most fittingly. The family, pallbearers and a few friends accompanied the body to the Crematory at Graceland. The pallbearers were Mr. E. Rudolph, Mr. Holibird, Mr. Crist, Mr. Schaeffer, Mr. Griswold and Mr. Bearseley.

But the effect of her being on those around her was incalculably diffusive for the growing good of the world is partly dependent on unhistoric acts; and that things are not so ill with you and me as they might have been, is half owing to the number who lived faithfully a hidden life, and rest in unvisited tombs.

From George Eliot's "Middlemarch."

Last night Mrs. W. T. Underwood was "at home" to the members of the Parent Teachers Association to meet the teachers of Highland Park. This Association of which Mrs. Underwood is president was organized shortly before the close of the school year last spring. It has had a remarkable growth and promises to be of great public benefit.

With three divisions, District 107, District 108 and Deerfield High School, each working individually under its own committee, and all working in conjunction, under a representative board it is hoped that high results will be attained.

Thus far parents, principals and teachers have evinced an eagerness and enthusiasm in the cause of a closer and more intelligent co-operation.

Mrs. Bradley of East Central avenue, was a dinner hostess last Monday evening.

Mrs. Smith, mother of Prof. Jesse L. Smith of South Second Street is visiting in Southern Illinois.

Mrs. Herman Denzil is entertaining guests from St. Louis.

Mrs. J. H. Aldridge of Rice St. is entertaining guests from Guelph, Canada.

Mrs. Frank B. McMullin is a guest of Mr. and Mrs. Walter Lamrosch in the east.

Officers Present: The honorable Mayor Dooley, Alderman Kilman, Kilne, Doty, Stevens and Bahr, and Attorney Mason. Absent Aldermen, Everhart, McPherson and Shields. Owing to the absence of the City Clerk it was moved and seconded that alderman Stevens act as Clerk Pro Tem. The clerk read the call for the meeting, which was as follows:

You will please call a special meeting of the City Council to be held this evening (September 16, 1910) at eight o'clock for the purpose of acting upon the request of the Chicago & Milwaukee Railroad company to change the permit heretofore granted to said company, by authorizing them to operate trains of more than three cars including motor.

WILLIAM M. DOOLEY.

Alderman Stevens moved, seconded by Alderman Doty to reconsider the action taken by the City Council on August 2, 1910, concerning the permit granted to the Chicago & Milwaukee Electric Railroad. The motion was carried.

Alderman Doty moved, seconded by Alderman Bahr that the resolution adopted by the City Council on August 2, 1910, concerning the Chicago & Milwaukee Electric Railroad, being amended to read as follows:

The Chicago & Milwaukee Electric Railroad be permitted to haul crushed stone and gravel into and through the City of Highland Park between the hours of six-thirty a.m. and seven-thirty p.m. trains not to exceed three large cars and motor, dumping ground to be decided by the Street and Alley Committee and the Commissioner of Public Works. Said Railroad to remove

dump at Sheridan Road and Sheridan Place before this permit becomes effective and this me revoked. Ten

The motion is carried. Alderman Doty moved adjournment.

JOHN FINNEY, City Clerk.

The business men of our city formed a Business Men's Association on last Tuesday evening.
