OPEN UP RAILWAY AVENUE.

Property holders on Sheridan Road justly complain that they are taxed to keep in repair the only paved street that runs from the County Line through Highland Park. They say that all heavy materials, all automobiles and all traffic are forced to choose this route by reason of the aforesaid conditions. Now that the Ravinia sewer is completed, there is sure to be an increasing wear and tear on the pavement on Sheridan Road, because there will surely be a boom in Ravinia's building operations.

As noted in these columns, the city of Glenoak is getting ready to build a road paralleling the Railway up to the County Line. We understand that a new subdivision is to be started between the County Line and Ravinia Park, and, no doubt, these people will find it necessary to build a similar road.

Some of our citizens, who have been most active in Ravinia Park matters, have declared publicly that one of the reasons why the Park has not been a financial success is to be found in the condition of roads and sidewalks leading to it. To encourage improvements near the Park means a permanent increase in the attendance.

Railway Avenue would now be the most direct and most accessible route between Highland Park, Ravinia Park and County Line were it not for the obstruction of the street by the Milwaukee Electric tracks, to which attention has been called in these columns from time to time.

We believe that the City Council should take steps to have Railway Avenue opened up to the County Line. To do this is in the interest of property holders abutting on the Milwaukee Electric Railway, it is in the interest of Ravinia and Ravinia Park, it is in the interest of the Chicago & Milwaukee Electric Railway, and finally, it would be a benefit to the City of Highland Park.

The Old Barn

The ancient barn with its clapboards gray
Has for well nigh fifty years
Sheltered its wealth of fragrant hay
And wealth of golden ears.

The swallows dart thro' the open door
Just as same as in years gone by,
When we rode around o'er the threshing floor,
And trot out the wheat and rye.

On rainy days oft a merry throng
Of children gathered here,
And with hunting eggs and games and song,
The gloom gave way to cheer.

In its lofty mows we often played,
In the days of long ago,
And peeredneath the rafters half afraid,
Lest some goblin lurked below.

Hail! dear old barn, 'neath thy sheltering eaves
Sweet echoes dwell, and sing
To my list'ning ear, and my heart receives
Fond memories of yon'th glad spring.
