

# To The Fire Department of Highland Park And to The Public

We take this means of expressing our deep appreciation of the rapid and effective work of the Highland Park Fire Department, as demonstrated at the fire which started in the Hay stack and barn at the rear of our Laundry, Sunday noon, October 16, 1910. To their efficiency is due the credit of the saving of the barn and plant. We also desire to thank all those who so willingly and ably assisted the Department and wish to say that if any who may have had their clothes soiled in any way, or water soaked, will send them in to us so stating, we will gladly dry, clean, and press same without charge.
