A MAN IS KNOWN not only by the company he keeps, but by the writing paper he uses as well. It is absolutely essential for a woman who would be in good form and good taste to use the best writing paper she can buy, but man's personal correspondence paper should be chosen with no less careful consideration.

The best writing papers that either a man or a woman can buy are the kind "Made in Berkshire" by the well-known company of **Eaton Crane & Pike**. These papers combine all the essential qualities, and are not expensive, as you will learn by coming in and examining our line.
