Another proof that the American girl is equal on every occasion. The young ladies who attend Wellesley college have organized a fire brigade, with fourteen captains, all of whom live in dormitories and assume charge whenever fire is discovered. The brigade will be drilled for efficient service, and there is no doubt that when necessity arises these fire-fighters of the gentler sex will be "on the job."

Even persons on moderate salaries will have to be on guard against the counterfeit \$10 bills found in Philadelphia. The report of a counterfeit representative of \$100 a few days ago worried only the plutocrats.
