many things about a box of writing paper "made in Berkshire" by **EATON, CRANE & PIKE**

First. The purity, fineness of texture, and smooth, even, writing surface of the paper.

Second, the Sir of correctness and style about both paper and envelopes.

Eaton, Crane & Pike papers are always just right as to size and shape.

Third, the manner in which the paper is boxed. An Eaton Crane & Pike papeterie always bespeaks refinement and good taste.

Fourth, the price. Eaton, Crane & Pike papers are not expensive although they are of the highest quality. Won't you come in, look around, and find these things out for yourself?
