GENERAL NEWS.

**PHILADELPHIA, PA.**—Rumors of a shake-up in the police department as a sequel to the recent scandals surrounding raids in the vice district began to take shape when John B. Taylor, for nine years superintendent of police and Harry D. M. Jagobs, detective, at the head of the "vice squad," banded in their resignations to Director of Public Safety George D. Porter. The trouble began when Superintendent Taylor defended the conduct of Detective Jacobs, under whose guidance a sensational raid was made upon a large number of disreputable houses recently.

What would have happened had some person found the package and opened it is a matter of much speculation here.
