## Clean Politics

Fayette S. Munro of our city is running for State Representative from the 8th Senatorial District on the Progressive Ticket.

He is making a fight against Mr. Shurtleff, a republican, whose record, both for capability and honesty, is not of the best, and who, as shown by the Lorimer investigation, is the tool of the notorious Lee O'Neil Brown and a traitor to his party.

Mr. Munro is a free lance, he is bound to no organization or individual and will represent our District honestly at Springfield.

Irrespective of party affiliations it is the duty of every man in Highland Park, as a good citizen, to vote against Shurtleff, the betrayer of his party and principal participant in the notorious "jack-pot" of 1909.

This is our chance to oust the last remnant of Lorimerism with an opportunity to vote for a clean man and clean politics. **PROGRESSIVE COMMITTEE**
