### NEW GOLF CLUB IS ORGANIZED

Will be Located West of Ft. Sheridan on Green Bay Road

The organization of a new golf club in which a number of Highland Park men are officers and members was announced on Tuesday. It is to be called the Old Elm Club and located directly west of the Fort Sheridan Railroad Station and Sweeney's farm on Green Bay Road. Edward F. Carry is president and there are fifty charter members.

The Old Elm Club which is named after a great elm tree on the property which has been for years a landmark on Green Bay Road, was organized with a special view of accommodating mature men of affairs who have time to enjoy the sport.

Officers of the new club assert it will not compete with any other club, and that few if any of the members will resign from other clubs. The plan is that it be made unique in giving special comforts, coupled with the greatest simplicity, to 150 congenial men who may invite their friends and be positively certain of the enjoyments of the "grand old game" at any time on their own premises.

The property, consisting of 140 acres, slopes gently to the west from a ridge and 80 per cent of it overlooks Skokie Valley. It does not include the Skokie except at one point where a slight bend

includes about one and one-half acres with an island suitable for landscaping and a short hole.

The land is undulating, containing many natural hazards, and eighty acres of it is heavily wooded, largely with white oak. Its location makes it accessible from all points of the north shore.

Charter members of the Old Elm have decided to limit its membership to 150, the additional hundred to be selected by members, each having the privilege of submitting three names to the membership committee, only two of which may be selected. This limitation, meaning that the new club will be the smallest in Chicago's countryside, was decided on to prevent the possibilities of a crowded course Saturdays, Sundays and holidays.

Mr. Charles T. Boynton of this city is one of the Secretaries as well as a member of the finance committee; Mr. W. A. Alexander is a member of the grounds and greens committee and has been especially active in working for the new club; Samuel Miles Hastings, William J. Louderback, and Ward W. Willetts are among the members the majority of whom are Lake Forest residents.

Prominent members of other clubs are found on the roll of the Old Elm, among them Silas H. Strawn, president of the United States Golf Association.

The Old Elm plans to bring an expert from Scotland to lay out its links. It is intended to make the golf course not only scientific, but one of the best in the country. The clubhouse will be a secondary matter, a small and complete building with all modern conveniences, but with a minimum of expense.

### Obituary

**Walter Goode.** The many friends of Walter Goode, eldest son of Mrs. Tompkins and a graduate of '12 of Deerfield-Shields High school, were greatly shocked to receive the news of his death which occurred on Saturday, January 4th, in Des Moines, Iowa where he and his mother were visiting relatives, as the result of an operation for appendicitis. He was a student at Ann Arbor University and a member of the Alpha Phi Fraternity. Captain Tompkins, his stepfather, is at present on mid ocean aboard an army transport as Quartermaster.
