MRS. SWAIN SAYS:

"During all the 33 YEARS that I have kept house I have never used a more satisfactory furniture polish and floor cleaner than **NU-FINISH**. Accept my highest recommendations for same."

NU-FINISH

is a marvelous dusting, cleaning, polishing, shining, and floor waxing. It is just dust in the usual way, but what a difference! No dust flying in the room to settle down again. Every speck is taken up and taken out—not just stirred up. And, at the same time, with no extra work, your furniture, woodwork and hardwood floors are cleaned and polished. Try a 5c bottle.
