Our Secret TO DRESS BEAUTIFULLY

Ladies! It is not sufficient to have a nicely made suit that looks well on you--the principle part is to have nice lines which are distinctive in our suits made for stout or tall persons. We are especially experienced to give you the best workmanship and finest lines shown in today's fashion, as we have had many years experience in the best houses of Paris, London and Chicago as cutters and fitters and have been creating models in some of the leading houses of Paris. We just received the latest copies of Paris models. Drop in and have a look.

The Highland Park Club

One of the prettiest and most successful parties ever held in the club ball room was Miss Clark's closing cotillion when one hundred and thirty of the children of Highland Park enjoyed two hours of dancing on last Saturday afternoon, followed by refreshments being served in the dining room. Mrs. Henry Doty assisted Miss Clark in leading and the intricate figures through which the little ones were so easily led were a delight to the admiring eyes of the mothers and relatives of the participants who were present. The joy of the children was an example that no longer is the dancing school the abhorred thought and torment of childhood for it is made a pleasurable, healthful exercise due especially to the gymnastic dancing which forms a part of the modern child's education. Among the ladies who were on lookers at the cotillion were: Mrs. Rex Jones, Mrs. G. V. Dickinson, Mrs. Samuel Knox, Mrs. Pere L. Wicks, Mrs. Eugene Andrews, Mrs. Thomas Clements, Mrs. William Louderback, Mrs. Thomas Troxel, Mrs. Robert Buckman, Mrs. Clarihew, Mrs. R. Calvin Dobson, Mrs. E. R. Phelps, Mrs. Frank M. Ingalls, Mrs. J. C. Morrison, Mrs. Henry W. Boyd, Mrs. Harry D. Faxon and Mrs. H. B. Clark.

The Dickens evening which was announced to take place on Friday evening, March twenty-first has been postponed.

The Easter Cotillion will take place at half after eight o'clock on Tuesday evening the twenty-fifth and will be an unusually attractive affair. Mr. Alvar Bournique who is such a splendid cotillion leader will have charge of the evening.

Mr. J. H. Probst, City Forester of Chicago will address the Osoli members on Thursday afternoon, March twenty-seven.

Friday the twenty-eighth there will be some excellent moving pictures shown.

The Junior dance will take place on Thursday evening March twenty-seventh.

MONEY TO BURN

The burning of money in the form of fuel is necessary. Fuel extravagance is an old and costly habit. You cannot afford, however, to keep on burning coal just because it has been your habit for years. USE WAUKEGAN

SOLVAY COKE

"The Fuel Without a Fault"

and save 20 per cent or your fuel cost. You are certainly not so fond of dust, smoke soot and ashes--of expensive, unclean conditions--as to be unwilling to give Solvay Coke a trial. That's all we ask--the coke will do the rest.

A booklet describing this ideal fuel and its use will be delivered to every customer of the North Shore Gas Co. Please read it carefully--it will be worth your while. If YOU do not receive a copy please write or call at our office.
