### The Highland Park Club

The annual dinner and election of officers which took place on Saturday evening was attended by fifty-four members of the club and was a success from every point. Interesting and excellent reports were given by various officers following the dinner, the menu of which was excellent and showed careful preparation by a good chef, and was served at a table decorated in red begonias, carnations, geraniums and ferns. Mr. R. C. Jacobsen, who has been a popular and efficient president to whom the greatest amount of thanks is felt for the influence he exerted in acquiring the moving picture machine, the great success of the club year, gave an interesting and a splendid address as retiring president, in which he alluded especially to the appreciation felt by him and all of the officers and members for the excellent service rendered by the steward and his wife, Mr. and Mrs. A. Nubold, whose executive ability was evidenced and whose interest in the success of the entertainments was of the greatest, and the good judgement shown by Mr. Nubold in the selection of motion picture films. Mr. Jacobsen also expressed appreciation of the courtesy of the HIGHLAND PARK PRESS in the write-ups given the clubs affairs and the prompt attention and good work in printing done by its job department. Mr. Hugh R. Loudon, chairman of the house committee, gave a report in which he gave details in regard to rewiring the club house, building cement side walks, general repairs and upkeep of the place.

Mr. Sidney J. Holland, chairman of the entertainment committee, spoke upon the success of the entertainments and especially of the Friday night moving picture exhibitions when the average attendance numbered 178 persons. The dances for the grown-ups, with the exception of two occasions were well attended and extraordinarily successful.

The amateur theatrical in charge of Mrs. C. C. Schaffner entitled "The Southern Musical Party" which was presented by club members in December, had the largest attendance of the season and was given a fine send off.

Mr. E. R. Phelps, chairman of the finance committee, presented a satisfactory report of the financial condition of the club, showing that on March 31st the official ending of the club year, no bills whatever remained unpaid. In addition a \$500 note had been paid off. Financially the club is now in the best shape that it has ever been in its history. Others who made addresses were Mr. E. R. Phelps, who has devoted a great deal of energy and has more than fulfilled the office of treasurer, personally looking after the club's accounts. Mr. George McBride, chairman of the membership committee, and Mr. Frederick Preston and Mr. Robert E. Smith, chairmen of the pool and billiard committee.

The music of the evening was furnished by Dr. Roe and consisted of topical songs. The officers elected for the ensuing year are as follows: President, George A. Schofield; first vice president, J. V. Norcross; second vice president, Thomas Clements; treasurer, E. R. Phelps; secretary, Fred A. Preston; directors, Dudley Putnam, H. R. Loudon, L. F. McClernan, Everett Deming, and J. C. Card.

#### Obituary

Calpurnia Silver Gutzler, daughter of the late George and Saloma Gutzler, died on Thursday, April 17, at the age of thirty years. The cause of her death was cerebral meningitis developed from la grippe which affected the mastoid gland. She was born at Northfield, Ill., and was the youngest of five children, two of whom, Mrs. B. O. Fritsch of Highland Park, and Mrs. Marion Knedler of Prairieview, Ill., survive her, as well as her mother, Mrs. Saloma Gutzler. The mother and daughter, Calpurnia, resided with Mrs. Fritsch on North Ave. The deceased was a member of the United Evangelical church at Northfield and upon coming here joined this church and continued an active and faithful member until her death. She was an interested member of the Philathea Class and the Keystone League of Christian Endeavor. Her death is the first among the ranks of the young people to have occurred in the history of this church. Her death was a sad surprise to her relatives and many friends here who had hoped an operation would effect a permanent recovery.

The funeral services were held at the United Evangelical church Sunday afternoon at two o'clock, Rev. J. F. Van Evera officiating, assisted by Rev. B. R. Schultze and Rev. C. Fehr of Northfield. Interment took place at Northfield cemetery.

Pillows washed and made fluffy and not a feather lost when done at The Reliable Laundry.

### CONGRESSMAN THOMSON TO THE PUBLIC

Addresses first of Series of Letters for Information of his Constituents

The receipt of the following letter from Congressman Thomson is peculiarly gratifying to the editor of this paper because in it our new representative states that he is going to do just what we had intended asking of both he and Mr. Munro; keep the voters in this district informed as to what their state and national representatives are accomplishing: Washington, D. C., Apr. 19, 1913.

To the people of the 10th Congressional District:

As your Representative in Congress, I believe it to be my duty to keep in as close touch with you as possible. This is not a particularly easy thing to do, for Washington is a long distance from Illinois, and my duties will be such as to keep me here very much of the time. However, I want to do anything I can to lessen that distance, at least in so far as it may affect our interchange of ideas; and so I propose to address an open letter to you once or twice a month while I am in Washington engaged in your service.

I shall endeavor to reach as many of you as possible through these letters by means of the local papers published in the different centers of population in the district. In these letters I mean to set forth some of the things I shall be doing down here and trying to do as your Representative in Congress. I shall also hope to set forth from time to time, from my close-at-hand point of view, various matters that may be pending before Congress and in which I feel you may be interested.

I believe a member in Congress owes more to his constituents than merely to come down to Washington and attend the sessions of Congress and vote as he should on the measures that come up, and take an active part in the deliberations of the House. You are entitled to hear directly, as as directly as possible, from your Congressman at times other than when a campaign may be on. That is why I shall endeavor to have a word with you from time to time through these letters. And I trust this may not prove to be a one-sided correspondence. I shall appreciate it if you will tell perfectly free to write me at any time and give me your views on any subject upon which I may write, or upon any other subject affecting national legislation and in which you may be interested. The more expressions of opinion and judgement I can receive from you in these matters the better and more accurately shall I be able to reflect your sentiment in my work here.

During the five years I was in the city council in Chicago, I made it a practice to go through my ward, precinct by precinct, about every six months and call upon all the local merchants in an effort to keep in touch with them and learn the needs of the various neighborhoods, which I might be able to meet by some action as their direct representative in the municipal government.

I am planning to continue that practice as your Representative in Congress. I shall not be able to get over the 10th district every six months, because of the time I must spend in Washington, but I propose to spend as much time as I possibly can in going about the various parts of the district. I shall make my first calls through the district as soon as I return to Illinois at the close of the present special session.

I have just one object in doing these things, namely, to keep in as close touch as possible with all of you and to enable all of you to keep in as close touch as possible with me, to the end that I may render you accurate representation and intelligent service as your Representative in Congress.

In my next letter, which I hope to transmit within a week or two, I want to say something on the subject of the caucus.

Sincerely yours,  
CHARLES M. THOMSON.
