Accident Burglary Renting Bonds

D & CO. ERS Furnished Telephone 256

fillage of Deerfield, Lake County, Illinois Notice to Contractors

Section 1. Sealed proposals will be eceived by the Board of Trustees of the Village of Deerfield, in the Village Hall f said village until 7 o'clock p. m. on he 26th day of May A. D. 1913, at which time and place said bids will be publicly

Section 2. The work for which bids are asked is the furnishing of all labor and material of every kind and nature all appliances and appurtenances, for the complete construction and installation of an 8 inch water main, including valves and valve boxes in Deerfield Road from the west limits of Highland Park to the east village limits of Deerfield, including the construction of a meter pit installed with pipes, fittings, specials, meters, fish traps, valves, etc., etc. This work to be completed so as to deliver water to the east village limits of said Town of Deerfield all of which work shall be done according to plans and specifications.

Section 3. Each bidder must file with his bid cash or certified check on some responsible bank doing business in the State of Illinois equal to the amount of not less than 10 per cent of the amount of his bid, such deposit to be returned upon rejection of the bids or upon the filing of satisfactory bond after award of contract. Contractor will be required to file personal or surety company bond of \$10,000 to insure the performance of the work under the contract and to indemnify the Board of Trustees against all liabilities.

Section 4. Plans and specifications are on file with the Village Clerk and at the office of the Engineer, Edgar A. Rossiter, 526 Reaper Block, Chicago, Ill. Copy of specification and form of bid may be procured by application. The payments will be made in cash as follows: On or about the 15th day of each month, 85 per cent of the value of the work done during the preceding calendar month, the balance will be paid upon completion

and acceptance of the entire work. The work shall begin on or before 30 days after notice by board of Trustees. A. D. 1913 and contractor shall specify the time of completion and be bound by

The time of completion will be considered in awarding the contract. The Board of Trustees reserve the

right to reject any and all bids. Dated this 15th day of May A. D. 1913.

THEO. J. KNAAK, Village Clerk. 12 ORGAN RECITALS AT ZION CITY

Famous Instrument may be heard Without Charge at Wednesday

Concert

Pipe organ recitals on the famous Zion City instrument, were resumed last Wednesday afternoon and will be continued each Wednesday at 3:30 p. m., through out the summer. Dr. Hyland Em. Wilson. A. M., graduate of the University of the State of New York, will preside at the organ during these recitals. His skill in handling this wonderful instrument h given delight to many thousands visitors to Zion City who have attende the rectitals in the past and future

visitors are cordially invited to attend. This organ is one of the largest in the world and is composed of seven organ all controlled from the one console, keyboard. It has an echo organ to hundred feet away from the main organ and the vox humana effects produ are so like the human voice as to all startle one as the voices tremble in the distance. The main organ is forty feet is wide, thirty feet wide, twenty feet det the and weighs fifty-six thousand pounds. has two hundred and ninety register the five thousand, one bundred and twent "Go four pipes, one thousand and three I per's dred miles of electric wires, twenty-eig miles of cable and twenty chimes. operated by a kinetic blower, attached up a ten-horse power motor which furnish

Whereupon the it. ductive reasoner, from his basis of reasoning, would be compelled to say, "You are asking for something it is impossible that you should know, for real cause is unknowable." As human inductive reasoning teaches us we may not know real cause, it is, in Bible language, "a liar, and the father of it," there is no truth in it, it is of its father the devil, and has been a murderer from the beginning of any possible hope of the attainment unto that knowledge of God which would

make man free. One might query, "Was not Mrs."
Eddy healed?" "Yes." "Was not that an effect?" "Yes." "Did she not reason inductively from that effect to find the cause, God?" "No, she did not. Mrs. Eddy turned to God first, with the absolute faith that if she did so aright, it would bring her the freedom the Bible promised." She found God, and the result was her healing. What she did not comprehend was, how it had been accomplished, and her three years of study, which preceded her first writings on the subject of Christian Science, revealed to her the way in which all must walk in order that

terance which it can maish with a period. It is one tremendous question mark with no answer; and the profoundest students and greatest profoundest students and greatest thinkers along its inductive line final-thinkers along its inductive line fin thinkers along its inductive line man Greenslade, o, by Buckman, s.
