CRESCENTS LOSE TO DEKALB PLAYERS

SCORE 5 TO 4 IN OUT OF TOWN GAME

Good Crowd Accompanies Locals to De Kalb Sunday and sees Hot Game Score of Home Game on the Fourth

The Crescents suffered their second defeat of the season last Sunday when the De Kalb Greys downed them at De Kalb, Ill., by the close count of 5 to 4 in a hard-fought and interesting game. The defeat was a bitter pill for our boys to swallow in view of the miserably rank work of the umpire. His poor work was an injustice to both teams, but he committed an irreparable blunder when in the final inning he called two perfect strikes balls, which gave a De Kalb batsman a life on first, whereas he should have been set down on strikes. The decision was so palpably rank as to bring down upon him jeers from the crowd and a storm of protest from Howard Flinn and his players, especially from Schaefer, who got into a fuss with the umpire, for which the latter expelled him from the game.

When the ninth inning was ushered in Highland Park had the game practically won. They were hitting the ball harder as the game progressed, while the De Kalbs were having the time of their lives connecting with Greenslade's twirling, each succeeding inning adding to their troubles. The one-run lead the Crescents had acquired in the seventh therefore seemed safe.

The fact that the batter did not deserve a walk was not so serious, but the effect of Schaefer's removal from the game proved fatal. It necessitated a wholesale shifting about of men, which is enough to unbalance any set of players in such a crisis. Duffy was sent behind the bat, Flinn went to third, Bourgeois was put on first and Fosbender in center field. Two hits followed the pass, which turned almost certain victory into defeat.

The Crescents deserved to win on their merits. Bob outpitched his opponent, allowing six hits to the latter's ten; Highland Park was the more consistent with the stick, landing on the ball hard and often, while after the second inning their fielding was fully on a par with that of the home team. Duffy, Richards and Flinn did the bulk of the defensive work, accepting a number of hard chances without a slip. At bat Richards was the best performer, getting a double and two singles. Second honors were shared by Flinn and Schaefer, each delivering a pair of singles. Bourgeois' double and Hellman's single were the most timely wallops as they drove home all of Highland Park's runs.

The game in detail:
First Inning.
Crescents—Richards tapped to pitcher and was thrown out at first. G. Glader went out via the same route. Hellman fanned. No hits; no runs.

De Kalb—Novak popped to Greenslade. Eberly drove a liner to center that Bourgeois muffed, the strong wind causing him to slightly misjudge the hit. Lavin poked a three-bagger over F. Glader's head, Eberly scoring. Crangle hit to G. Glader, who threw badly to Schaefer, which let Lavin register. Crangle moving on to second. Pechous died. Greenslade to Flinn, Crangle advancing to third. Hilliker flew out to Bourgeois. One hit; two runs; two errors.

Second Inning.
Crescents—Duffy popped to second baseman. Bourgeois out on a tall one to left. Schaefer drove a safety to right. F. Glader succumbed on his rap to second. One hit; no runs.

De Kalb—Winans trudged. Rehor breezed. Smith hit sharply to Richards, but G. Glader fumbled his throw, missing a force-out at second. Novak also walked, filling the bases. Eberly fanned. Lavin caromed a hot one off Flinn's glove, Winans scoring. Crangle was easy. Greenslade to Flinn. One hit; one run; one error.

Third Inning.
Crescents—Flinn whiffed a single to right. Greenslade went out on strikes. Richards rapped a grounder past shortstop, Flinn being held on second. G. Glader was bumped in the

ankle, filling the bases. Hellman lined to right, scoring Flinn and Richards, and sending G. Glader to third. Duffy fouled out. Bourgeois ended the procession with a fly to right fielder. Three hits; two runs.

De Kalb—Pechous allipped a single between Duffy and Richards. Hilliker popped to Greenslade in an attempt to sacrifice. Winans struck out. Duffy and Flinn attended to Rehor. One hit; no runs.

Fourth Inning.
Crescents—Schaefer hit a sharp one out of the first baseman's reach. F. Glader lined sharply to right, but was robbed of a clean hit by the right fielder's quick throw to first. Schaefer, advancing to second. Flinn also hit safely a grounder over first. A fast relay home nailed Schaefer at the plate by a hair. Flinn dug for second on the play, but was left stranded when Greenslade fanned. Two hits; no runs.

De Kalb—Smith took three strikes and sat down. Novak fouled F. Duffy. Eberly lined to G. Glader. No hits; no runs.

Fifth Inning.
Crescents—Richards out, stout to first. G. Glader required in fly to center. Hellman bounded to second and was thrown out at first. No hits; no runs.

De Kalb—Greenslade whiffed Lavin. Crangle out. G. Glader to Flinn. Pechous was passed. Hilliker went out via Duffy and Flinn. No hits; no runs.

Sixth Inning.
Crescents—Duffy thrown out, third to first. Bourgeois was hit and so was Schaefer. F. Glader skied to left fielder. Flinn's rap to second closed the inning. No hits; no runs.

De Kalb—Winans hit to Flinn and beat G. Glader in a race to first. Rehor hit to Duffy and Winans was forced at second. Smith took three swings. Richards intercepted Novak's hot one and forced Rehor at second. One hit; no runs.

Seventh Inning.
Crescents—Greenslade popped to second baseman. Richards doubled to right. G. Glader lined safely to center, but Richards was held at third. Hellman was beaned, filling the bases. Duffy hit sharply to second and Richards was forced at the plate. Bourgeois poled a double to left. G. Glader and Hellman scoring. Schaefer went out, short to first. Three hits; two runs.

De Kalb—Eberly walked. Lavin forced Eberly at second. Richards to G. Glader. Lavin advanced to second on a passed ball. Crangle struck out. So did Pechous. No hits; no runs.

Eighth Inning.
Crescents—F. Glader lifted to center and was out. Flinn and Greenslade out on strikes. No hits; no runs.

De Kalb—Hilliker was passed. Winans failed to connect. Rehor sacrificed Hilliker to second. Richards stole a hit from Smith when he pinched his lines that almost took him off his feet. No hits; no runs.

Ninth Inning.
Crescents—Richards got a safe smash to left, but was caught napping off first on a quick relay, left fielder to second baseman, to first baseman. G. Glader fanned. Hellman fouled to first baseman. One hit; no runs.

De Kalb—Novak out, Duffy to Flinn. Eberly walked. Hot protests followed the umpire's calling of the fourth ball, which resulted in Schaefer's banishment from the game. After a switch of players play resumed. Lavin shot a hit past Greenslade, sending Eberly to third. Lavin stole second. Crangle lined to center. Eberly scoring, and when Fosbender let the ball get away from him Lavin also scored. Two hits; two runs; one error.

Contrary to expectations, Shields was not able to get into the game at De Kalb. His physician advised him to postpone his return to the game another week, when there would be no danger of reopening the wound. In the Deerfield game next Sunday he will be back at his old post at second base, and a hearty welcome is in store for him.

Manager Flinn has decided not to take his team to Deerfield for the game, for the reason stated in these columns last week. Very likely Deerfield will consent to come to Highland Park; if not, there is probability that the game will be dropped. Score of the De Kalb game:

ARDEN SHORE CAMP HAS MANY GUESTS

NEED MORE MONEY TO CARE FOR ALL

Local Committee held Meeting Monday to hear Reports and Devise Means Raising its Share

About thirty ladies attended the meeting of the Highland Park committee of Arden Shore Association, Monday, at the residence of Mrs. Chas. Yoe, heard reports of the various chairmen and devised ways and means of adding to the local contribution to the fund, for maintaining the institution. According to Mrs. Fayette Munro over three hundred mothers and children are now gaining health and happiness at the camp, a greater number than has ever visited it at this season of the year, and plans are being made for an even larger number as the guests come and go bi-weekly.

The yearly budget which provides for the care of these sufferers is \$14,000. \$7,000 of this amount has been raised through general subscriptions made in response to an appeal from the chairman of the general committee, Mrs. Wm. G. Hibbard, Jr. of Winnetka, and \$2,000 will be realized through the co-operative section. Highland Park, as in the past, has contributed liberally to this amount but the sum raised has come from twenty-eight people and the ladies feel that a greater number would be glad to subscribe if they were approached. To this end it was decided to do here what is being done in other towns, make a personal canvass of the town. Each woman present took a list of names of persons who will be asked to subscribe.

The amounts usually given vary from \$5 to \$250 and any amount is keenly appreciated and will do its fair share toward giving health and happiness to women and children who have little opportunity to obtain either. Subscriptions may be paid to Mrs. R. B. Gregory, chairman local finance committee.

Attention is again called to the "basket picnic" of all the suburbs, next Monday, the 14th at the camp. Coffee will be served in the Adams Memorial Library at 12:30. Automobiles will meet the trolleys between 12:00 and 12:30 p. m. Directly after luncheon, reports will be made by the superintendent and heads of departments. All friends are cordially invited.

ONE KILLED IN AUTO SMASH

Chauffeur takes Joy Ride that Ends in Death of Companion

Going from 40 to 50 miles an hour, a party of joy riders took the curve under the viaduct on Chicago Ave., south of Calvary cemetery, Evanston early Thursday morning. The machine skidded and hit the center concrete pier of the viaduct with a terrific crash. Result, one man killed, one injured.

The man killed was Charles Maiden, aged 30, of Deerfield, a bartender, and unmarried. The man injured was Arthur Harrison of this city whose head was cut by glass. The two men who were not injured were William Hensel, chauffeur for Mrs. Montgomery Ward of this city who owned the car and R. C. Zoehler, of Deerfield, a bartender.

They were released on bonds to appear at the inquest which will be held today. A Waukegan paper stated the day following the accident that Mr. Anderson for whom Maiden worked had been in that city looking for his bartender whom he thought had taken a considerable sum of money before he left. It was found however so no charge of dishonesty could be brought against him. Maiden's funeral was held from Prior's undertaking rooms Saturday, interment being in Mooney's cemetery.

OPEN HIGH SCHOOL PLAYGROUND

Board of Education Engages Man to take charge

Plans for keeping the playgrounds at the high school open during the summer have been made by the board of education and Mr. E. C. Mulick, who has had several years experience in similar work at Winona Lake, Ind., will take charge and direct the games to be played. Arrangements will be made for tennis, archery, bowling on green, hand-ball, lacrosse, and baseball. The grounds will be open to everybody and no charge will be made except in tournaments where a small fee will be collected for the purpose of purchasing prizes. The first of these tournaments will be a tennis double for men and women to be held July 15. Entries must be in by 9 a. m. of that day. These should be sent to Mr. Mulick who will also receive applications for reservation of hours for play on the various fields.

BUSINESS OF TWO COUNCIL MEETINGS

NEW SALARY ORDINANCE IS PASSED

Aldermen Make Provision for Paying Interest on Special Assessment Bonds and Vouchers at Special Meeting

REGULAR MEETING, JULY 1.
The passage of engrossed ordinance fixing the salaries of city officials and various employes and making appropriations for the fiscal year was the most important work of the council at the regular meeting Tuesday evening, July 1. Both of these ordinances are published in another part of this issue. At the last meeting of the preceding council like ordinances were passed, but both were repealed by the present members and the new ones substituted.

Changes made in officials and salaries by the new ordinance are as follows: Abolishes offices of city treasurer, \$540; commissioner of public works, \$1,700; and city auditor, \$150; creates offices of night fireman, \$180; clerk to city treasurer, \$300; and clerk to city clerk, \$700; cuts salary of city attorney \$300 and mayor, \$150.

Other Business Transacted.
Recommended that the judiciary committee and the city attorney consider a simple building ordinance and present same at next meeting if possible.

Received report of city clerk stating that there is not sufficient money to credit of special assessments 111, 112, and 113, to redeem bonds due July 1, 1913, for the reason that money collected from property owners on their assessments has been misappropriated.

Foreman of public works ordered to advertise for bids and let contracts for constructing cement walks for which ordinances have been passed.

In reply to petition, received at last meeting, the fire and water committee reported that the members had investigated and found the building to the east and adjoining the Martin Ring-dahl delivery to be damaged by decay to the extent of 50 per cent and recommended that it be condemned. Referred back for further consideration.

Passed ordinance for main water supply pipe in Oak street, south from Broadway 290 feet.

Granted request of property owners for gas main in Chicago avenue.

Bid of Frank Siljestrom for furnishing coal at \$4.24 per ton delivered in bins at pumping station accepted.

Accepted recommendation of finance committee to pay Press \$12 per month for printing minutes of council.

Street and alley committee given further time to consider proposition to change name of Gage avenue to Ridgewood avenue.

Matter of repairs to Linden avenue bridge referred to street and alley committee.

Request of Young Men's club for appropriation for fireworks refused.

Petition from C. G. Alexander and others for sidewalk on Waukegan avenue between Orchard and Moraline road referred to street and alley committee.

Adjourned to Tuesday, July 15.

SPECIAL MEETING, JUNE 30.

Action on the report and recommendations of the finance committee in the matter of interest due on improvement bonds constituted the principal business of the council at the special meeting held Monday evening, June 30. Following their reading they were made a motion and carried unanimously and officials of the city are now carrying out their provisions.

The report showing the conditions of these accounts is as follows:

Amount interest due July 1, 1912, unpaid	\$ 685.60
Accrued interest on bonds due July 1, 1913	595.00
Interest due July 1, 1913	12,529.22
	\$13,809.82
July 1, 1913, cash to credit of interest account to be applied	2,213.61
Interest returned delinquent account of 1913 special assessments to be applied	4,374.30
	\$6,587.91
Deficit	\$ 7,221.91

To meet this deficit the committee recommended that the sum of \$7,219.88 be borrowed from the water fund, the same to be placed to the credit of the interest accounts of special assessments that are delinquent, to be applied to said accounts as partial payment of the interest due from the city on amounts assessed as public benefits. And it further recommended that an anticipatory warrant at 2 per cent be placed to the credit of the water fund, evidencing said loan. The fund is to be reimbursed from general funds of city out of moneys to the credit of any fund not otherwise appropriated.

A second recommendation from the committee which was adopted is as follows: That in all special assessment accounts, where treasurer has money in his hands which his books show belongs to a certain installment, that said money be kept to the credit of such installments and when paid out be held out only on vouchers or bonds drawn against said installment.

In all cases where there is a balance in the treasurer's hands in an assessment (after making the aforesaid credits to said installments) but said balance is short of the amount which the treasurer's books show should be in his hands then in that case we recommend that said balance standing to the credit of said assessment be prorated and be credited in equal portions to each and every installment against which vouchers or bonds still remain outstanding.

REMEMBER THERE IS A PULMOTOR HERE

EVER READY IN CASE OF DROWNING

Physician says that Person taken from Water should be Worked over for Hours after Signs of Life are gone

The following information is of the greatest importance, especially at this season of the year when so many are seeking relief by cool plunges in the lake and with it attention should be called to a fact, forgotten probably by a majority of the city's residents, that we have a pulmotor in the city and that it is ready for service at all times. It is the one installed by the North Shore Gas Co., as the Press stated at the time, in the local office where it can be secured by physicians, the police, firemen, or members of the Life Saving Crew. Should it be required at night the key to the Gas office can be obtained at Prior's Undertaking Rooms, next to the Gas office on No. Sheridan Road.

Many people who might have been saved had proper resuscitation measures been employed in time have died because those who would aid them have given up their efforts when in a few moments more the victim would show signs of returning life. Because this condition is so it is always safe to continue your efforts until there is not a possible chance of restoring life.

Efforts at resuscitation should be used for at least two hours after apparent death, says Dr. F. W. Hitching, of Cleveland, Ohio, in a recent number of the Journal of the American Medical Society. The heart may continue to beat for as long a time as five minutes after cessation of respiration, although it usually stops in two or three minutes. Add to a possible five minutes during which the brain may be completely resuscitated after total cessation of the heart-beat, a possible maximum of twelve minutes of relative death may be undergone with recovery.

FOURTH CELEBRATION A SUCCESS

Young Men's Club makes Money out of Affair at Lake Park

Though the sale of refreshments to those who gathered at Lake Park for their fourth celebration the Young Men's Club made a small profit besides furnishing a good entertainment. A large majority of the people attending in the afternoon appeared to be from out of town but in the evening local people took advantage of the opportunity to hear Mr. Deming, Mr. Munro and Mayor Hawkins and the attendance was of considerable size. The fireworks display proved an excellent one and the young men are to be congratulated upon the accomplishment of so much in so short a time. Through the Press they wish to thank those who donated both money and services.

WILL ENFORCE THE VEHICLE ORDINANCE

POLICE ARE TO BEGIN COLLECTIONS

Penalty for using Unlicensed Vehicle on City Streets is Heavy Fine. Dog License also due

Dog and vehicle license receipts were given to the police this week and an immediate campaign will be begun to enforce payment by those owners who have not already called at the city hall with the necessary fee. Under the ordinance passed by the city council some time ago and published in this paper June 12th, a city license must be procured for every vehicle owned in Highland Park. The law became effective upon passage and publication and provides a penalty of from \$5 to \$100 for every day of use of a vehicle for which a license has not been procured. The money collected for licenses of this sort will be placed to the credit of the fund for repairing streets.

The annual dog license is due at this time, the cost and penalties being the same as were in force in previous years. The police promise the arrest of persons violating the vehicle ordinance and the seizure of all dogs which do not wear the 1913 license tag.

WINNETKA APPOINTS CHAFERON

Request of Protective Association Granted. Will have Police Authority

At the request of the North Shore Juvenile Protective Association the Park Board of Winnetka has appointed a chaperon for the public bathing beach. The woman appointed will have police authority and will be equipped with a first aid kit.

George Warren, the 68 year old Glen-coe man arrested, on a warrant taken out by the association, for contributing to the delinquency of children, was released last week on bonds of \$1000 and immediately disappeared.

RAVINA PARK TO HAVE NEW DANCER

FAMOUS RUTH ST. DENIS IS ENGAGED

Makes first Appearance Saturday Night. New Children's Playground Prepared and Rest-room nearby Ready

The fact that Ravinia Park is to have a new dancer will occasion little surprise to those who have watched the rather amateurish efforts of the young woman who has been performing there the past week but the fact that Miss Ruth St. Denis has been engaged will be a source of wonderment to many who know that the policy of the management in the past has not included the payment of large salaries to attractions outside the orchestra. Miss St. Denis has long been one of the best paid women and best drawing attractions on the stage because she has continuously added new features to her program and this fact will make her welcome even to those who have seen her several times. Her first appearance will be Saturday night.

Fulfilling the promise made at the beginning of the season the management has prepared a children's playground at the south end of the park where a maid will be constantly in attendance and which will be under the direction of the Ravinia Club. By next week the new rest room, located in the south end of the pavilion, will also be opened.

The special children's entertainments which will be given in the theatre each Thursday afternoon began this afternoon with a program of dances by Baroness Von Rotenthal. These entertainments are under the direction of the Ravinia Club and the club has also decided to continue the Wednesday evening dances which will be held in the Casino during intermission and after the concerts.

SCHOOL ELECTION JULY 19

Member of High School Board of Education to be Elected

To fill the vacancy caused by the resignation of Mr. Jas. G. Watson of Lake Forest, an election has been called by the Board of Education of Deerfield-Shields high school for Saturday, July 19. Polling places in the State Bank, Highland Park; the town hall, Deerfield, and the city hall, Lake Forest, will be open from 3 to 6 p. m.
