Deerfield News Items:

Highland Park was the Mecca of the young people of the Protestant churches in Deerfield Saturday and Sunday. Thirty attended the Christian Endeavor rally Saturday making the trip on a hay rack and a large number went to the Sunday school convention in the United Evangelical church Sunday.

Mr. H. E. Boles and son Wyllis were the week-end guests of Mr. Boles's mother in Kenosha while Mrs. Boles and daughter Elmira were visiting Mrs. Boles's parents, Mr. and Mrs. H. J. Meyers in Libertyville. Mrs. Boles's entertained during the week Misses Alfield and Helen Johnson of Austin.

Mrs. Netter of Austin was the week-end guest of her sister, Mrs. James Snyder.

Mrs. Ralph Knickerbocker was hostess to the Woman's Missionary Society of the Presbyterian church Thursday afternoon. The subject of the meeting was Prayer. Mrs. Hole led the devotional exercises and those who assisted in the program were Misses Woodman and Knaak, and Mesdames Knaak, Therrien and Roseboro. Mrs. Clark told of the work of the Baptist Missionary Training School in Chicago in which she is interested. The meeting was a most inspiring one.

Mrs. Blume and son of Chicago are the guests of Mrs. George Karch.

Miss Arline Bleimehl left for Payton, Iowa Friday where she will visit her aunt, Mrs. Frank Schneider.

Mr. H. Barthloew of Rockefeller was a Deerfield visitor Tuesday.

Miss Beatrice Duffy of Wilmont, Wis., was the guest of Mrs. E. Knickerbocker a few days last week.

Mr. Thomas Duffy, who has been in the Sacred Heart Sanitarium for the past five weeks, returned to his home Sunday evening.

Miss Ruth Kress and Margaret Carolan were the week-end guests of Misses Ruth Reichelt and Florence Carolan at DeKalb.

Miss Elsie Liberty of Chicago is visiting her aunt, Mrs. M. Horenberger.

Misses Elizabeth and Dorothy Reichelt, Margaret Kress and Eva Ender are the guests this week of Miss Margaret Schneider of Jefferson Park.

Mr. and Mrs. John Vetter had as their week-end guests Miss Hazel and Grace Tate of Lisle, Mr. Harry Barnacle of Belmont, Misses Alice and Lydia Rehm of Downers Grove and Mr. Alfred Schuessling of Jefferson Park.

Mrs. George Karch was a delightful hostess to 17 guests at a dinner party given in honor of her birthday anniversary Saturday evening. The out of town guests were Mrs. F. Brander of Morton Grove and a number of ladies from Chicago.

Mr. and Mrs. J. Keefe of Rochester, N. Y., and two children, Francis, Catherine and John are visiting Mrs. Keefe's sister, Mrs. Eugene Ender.

Mr. and Mrs. W. Whiting spent a few days of last week at Muskegon, Mich.

Miss Margaret Schneider of Jefferson Park was the guest of Mrs. J. C. Wolf Wednesday. Mrs. Wolf entertained a number of Miss Margaret's friends at a lawn party in the afternoon.

The special meeting of the Board of Trustees called for Monday evening was of short duration. As President Whiting and Trustee Reay were absent, the meeting was adjourned until Wednesday evening when matters relating to the water and sewer will be taken up.

The construction of the new twenty thousand dollar school house was started Monday and if the weather permits it is to be finished and ready for use by the fifteenth of October.

Sisters Vivinia and Basilla and Miss Julia Allen of the Holy Family academy were the guests of Miss Clara Pyle Monday.

Mr. J. Keefe, who is visiting his sister, Mrs. Eugene Ender, sang a very effective solo in the Holy Cross church Sunday morning.

The local nine went up against a stronger team Sunday and suffered their third defeat of the season by a score of 8 to 4. The home boys were unable to solve the curves handed out by Donovan, pitcher for the Reardon, A. C. and so managed to garner but five well-scattered singles. Kress was hit hard by the visitors and issued seven passes. At that he generally tightened up in pinches of which there were many, but errors made by his team-mates were responsible for several runs. After scoring two runs on errors in the first inning Deerfield did not score again until the ninth when two runs were made after two men were out. The ninth inning rally was brought to a close by Willman who tried to stretch a single into a three base hit, and was tagged out between second and third. This was the culmination of a series of poor plays made by him during the game. Burns, the new Deerfield catcher showed that he has everything needed by a good back stop, and his powerful wing caught three men stealing. Egan played a star game for the visitors. He got everything at short, and made three hits, one a three bagger out of four times at bat.

In Point of Appearance:

The first remark of nine-tenths of all who visit our factory is "Who would ever think this car costs less than two thousand dollars!" Skill in design, ample proportions, exquisite appointments, and the art of the painter and enameler have produced in the Detroit a car that acknowledges nothing finer anywhere near its price-anywhere in its class

\$915

The Price is Right so is the Car

\$915

Big in Value Low in Price

In Point of Economy

The economy of owning a Detroit is not the economy that sacrifices everything for price; it is the logical answering of the question "Why pay more when I cannot get more of the essentials."

Concrete Silos and the best way to build them

Like a glass fruit jar, a silo to be really efficient, must be water tight and jointless. Otherwise silage molds or "dry fires." Build a "best" kind of a silo with

Chicago AA Portland Cement

It will not only be a strong, uniform, permanent job but bright, uniform, and attractive in color. This is due to the unusual uniformity of the raw materials of which Chicago A.A. Cement is made. Stop in and get a

Free Book about Silos. Tells how to build the best practical silos. If you prefer, write for this book, addressing Chicago Portland Cement Co., 30 N. La Salle St., Chicago.
