#### "The Freezer with the Aerating Dasher"

The most wonderful of all freezers. By means of its astonishing aerating spoons it whips air into every particle of the freezing cream, making ice cream that is a revelation in texture and delicacy.

It breaks all records in speedmakes perfect ice cream in 3 minutes.

Requires much less labor and uses less ice and salt than any other freezer. See it before you buy a freezer.

whole philosophy is contained in these few words which have come down to us as the embodied wisdom of antiquity. They serve as a safe guide in the commonplace as well as the exalted affairs of life. They apply

with equal force to the business of the individual and of nations. Progress is made and success is attained only slowly as a little child begins to walk step by step. So too are fortunes made, saving on saving, slowly but surely. We assist you to save.
